VOL. XLIV.—No. 21

PENTICTON, B.C., WEDNESDAY, MAY 26, 1954

5c Copy

3 Sections — 24 Pages

"Penticton — a swell place to spend a long weekend," was the opinion of visiting golfers at the local course who attended the three day annual Commercial Travelers' Golf Tournament, which concluded Monday afternoon. It was specially enjoyable for Bruce Howard, Vancouver, (left) for he carried off the coveted Harwood Trophy, emblematic of the tournament championship. Jack Scott, Winnipeg (right) was runner-up for top honors. Hugh Lynch, (centre) local club member who was largely responsible for the success of the arrangements, flashes a victory smile too. Everything ran off smooth as silk and the travellers were able to turn over \$305, the proceeds of the tourney, to the Kinsmen polo fund.

## Jaycees First Big Convention

## Over 800 Convention Visitors Here This Week

Penticton's claim to fame as a convention city is more than justified this week as a springboard jumpoff sees no less than three groups converging here for their annual meeting.

It's the prelude to a long list of bookings that will bring many visitors whose plan is a happy combination of business deliberations and a holiday in the sunny Okanagan.

Lead-off was supplied by the Women's Christian Temperance Union. The forty-fourth annual convention of the Kamloops-Okanagan district, Tuesday, was followed by the seventy-first annual convention of WCTU which brought some 60 delegates here.

The welcome mat is also out for 350 delegates to the eighteenth annual B.C. convention of Junior Chamber of Commerce. Their deliberations commence tomorrow and last three days.

Hard on its heels is the convention of Ladies' Auxiliary to the Canadian Legion who gather here Sunday. About 350 delegates, representing Legion branches throughout the province as well as parts of the state of Washington will attend.

## B.C. Jaycees

Registrations are pouring in for the eighteenth annual provincial convention of the British Columbia Junior Chamber of Commerce, to be held in Penticton Thursday, Friday and Saturday of this week.

This is the first time the city of peaches and peaches has played host to the Jaycees and for that reason, chairman Ivor Hadfield and his co-workers are determined to make it one not soon forgotten.

Thousands of unusual and interesting registration forms were sent individually to every Jaycee in B.C., the Yukon and the state of Washington. This was followed by a bathing beauty postcard urging delegates to register early.

Publicity committee, under the direction of vice-president Vance Hull with Bert Dean and his group, planned entertainment, one of the features being a monster open-air barbecue on the beach near SS Skamons.

Social highlight will be the president's ball at the Armouries (Continued on Page 8)

## Provincial WCTU In Session Here

The 71st annual provincial convention of the Women's Christian Temperance Union opened this morning in the Church of the Nazarene and will continue through tomorrow.

The provincial president, Mrs. R. H. Boyer, and the field secretary, Mrs. E. W. Crawford, both of Vancouver, are present. Two buses brought delegates from the coast to attend the conference.

## IMPROVEMENT

Council agreed that the elimination of the sharp corner by purchase of property from C. Brett had provided a vast improvement to the Eckhardt Avenue highway link. The corner has been removed and the road paved now.

## HOISTED

Monies set aside for the Fairford Drive bridge reconstruction were "hoisted" until later in the year, by council this week.

## Legion Ladies

A large number of resolutions will be dealt with when delegates representing Canadian Legion of British Columbia and Northwestern States Command Ladies' Auxiliaries gather in Penticton for their 28th annual convention May 30, 31, June 1 and 2.

It will be the largest convention in history with 350 delegates expected representing all B.C. points and delegates from the United States, mostly Seattle.

Chairman of deliberations will be Mrs. A. Erickson, of Creston. Number of branches will bring forward resolutions calling for increased pensions, free medical care for burnt out pensioners and abolition of the means test in relation to war veterans' allowances.

Other matters to be dealt with include re-opening of the veterans' workshop at Victoria, production of a better grade poppy and wreath, a protest against increased postage rates, removal of the sales tax on clothing for students (Continued on Page 2)

NO DISCUSSION YET AT GOVERNMENT LEVEL, HERALD INFORMED

## Reports Of Government Aid To Growers Premature Says Agriculture Minister Kiernan

### OVERWHELMING MAJORITY FOR HOSPITAL SALE

Overwhelming approval was given by Penticton ratepayers last Saturday when they went to the polls and voted on a bylaw to sell the old hospital building.

Final tally of figures by H. G. Andrew, returning officer, shows 1,170 yes votes, 34 no votes and 12 spoiled ballots.

Purchasers of the building for \$30,000 are Newhope Benevolent Society which plans on establishing a senior citizens' home for approximately 70 persons.

In a statement issued today, Clifford Moore, president of the society, said that it appears the many months of negotiations and investigations with City Council have not been in vain. His remarks continued:

"Saturday night's ballot count showed that the city and taxpayers in general are 97 percent behind the work. I hope it will remain this way as the work continues. Already, plans are being formed to remove the old structure at the rear of the main building which have proved to be eyesores for many years to residents facing that area."

"Further levelling and landscaping should result in the west side being just as attractive as the main entrance. The whole structure is to receive a face-lifting as soon as the committee can decide on the most appropriate color scheme."

"We are very pleased to see so much public interest being shown. Already, many requests have been received for admission to the home, also several offers of donations have been forthcoming from those who wish to see the work go on."

"Just as soon as official receipts and admission forms are received, they will be made available to all requesting them."

"New name for the home will be chosen from the many suggested in response to our names contest. Winner will be announced in next week's Herald."

There has been no discussion at government level regarding possible aid to frost-stricken orchardists, the Herald was informed today in a long distance telephone conversation with Hon. Kenneth Kiernan, minister of agriculture, Victoria.

"Insofar as I am concerned we are still gathering facts and figures," he said. "When they are all in department heads will discuss the situation and decide if the matter should be placed before the cabinet."

### Await Fairly Accurate Estimate

There is nothing to be gained by going into the possibility of assistance to growers until a fairly accurate estimate of overall damage has been attained, the minister continued, a difficult task at this time of year, especially until after the June drop.

R. P. Murray, provincial horticulturist, has not yet returned to Victoria after touring the valleys and his report may be subject to adjustments later.

Last Saturday's Vancouver Sun carried a news item which stated that the government is considering granting long-term loans for orchard maintenance.

"This report," Mr. Kiernan said today, "is to say the least, premature."

### Growers Have Not Asked For "Gift"

In Oliver, A. R. Garrish, president of BCFGA, said he wished to point out that at no time had a request been made for a "gift". "Our request was for an emergency loan repayable over an extended period to enable the hard-hit grower to remain in operation," he declared.

Mr. Garrish said he believes the request is quite justified for those regions hit hard. Originally, a telegram asking for such consideration was sent to the Dominion department of agriculture who in turn said it was a provincial matter. Mr. Garrish said he will report on correspondence, to-date, with government authorities at Saturday's meeting of Southern District Council, BCFGA, in Penticton.

### Provincial Horticulturist Reports

Meanwhile, R. P. Murray, provincial horticulturist, who has visited this area reports that all of the fruit suffered damage, with Oliver-Osoyoos and a section near Keremeos being hardest hit.

The report shows that in some cases as little as five percent of fruit remains and losses may be found even heavier when harvesting takes place.

Heaviest loss will be sustained by orchardists who grow mostly stone fruits.

Mr. Murray's district by district report follows with his assessment of percentages of fruit still left on the trees:

Oliver - Osoyoos: apples, 60; pears, 45; peaches, 10; apricots, 10; cherries, five; prunes, 60.

Kelowna-Okanagan Falls: apples, 85; pears, 80; peaches, 80; apricots, 80; cherries, 75; prunes, full crop okay.

Penticton - Naramata: apples, 90; pears, 90; peaches, 65; apricots, 65; cherries, 40; prunes, 65.

Keremeos-Cawston: apples, 80; pears, 75; peaches, 75; apricots, 80; cherries, 60; prunes, okay.

Summerland: apples, 75; pears, 75; peaches, 50; apricots, 50; cherries, 25; prunes, okay.

West Kelowna: apples, 75; pears, 75; peaches, 50; apricots, 20; cherries, 20; prunes, okay.

Westside: apples, 60; pears, 40; peaches, 15; prunes, okay.

Kelowna: apples, 80; pears, 45; peaches, 10; apricots, 10; cherries, 15; prunes, okay.

Winfield-Okanagan Centre: apples, 90; pears, 75; peaches, 25; apricots, 25; cherries, 80; prunes, okay.

Vernon-Salmon Arm: Apples and prunes showed very little damage and since other crops were not of economic importance no estimate of damage was made.

Kamloops: some injury to apples but preliminary estimate show about 75 percent of the crop was still on the trees.

### Record Influx Of Visitors Here On May 24th Holiday Weekend

Every hotel, every auto court and scores of private homes were filled to capacity over the holiday weekend as visitors from the coast and from across the border invaded the home of the 1954 Allan Cup champions on a scale never before witnessed on the first big holiday weekend of the tourist season.

Mrs. Elsie MacCleave, secretary of the Penticton Tourist Association, reports that the four hotels and 40 auto courts were all "chock-a-block" full over Sunday and that many visitors had to be found accommodation in private homes.

Visitors were rolling in all day on Saturday, and it was not until almost midnight that the last ones were found suitable accommodation. It is believed that many later arrivals slept in their cars.

The glorious Okanagan weather on Sunday made the holiday a memorable one for the visitors and the inclement weather on Monday came too late to dampen their holiday spirits.

### Confident Creek Will Behave

## Mayor Talks To Ratepayers

Progress has been made and will continue to be made, Mayor Oscar Matson told Penticton Ratepayers' Association at their regular meeting last Thursday when he addressed members on civic affairs.

Mayor Matson expressed confidence that Penticton Creek will "behave itself" this year unless heavy rains change the present optimistic picture.

### Seek Aggressive Civil Defence Head

Aldermen Wilson Hunt and Alderman H. G. Garrioch were named as a committee at Tuesday night's council meeting.

Their task is to find "someone who will actively and aggressively undertake to head civil defence in this city."

This appointment arose out of a recent conference between Ottawa civil defence authorities, Col. J. H. Horn, and city council, over the lack of effort here.

The position of the city in case there happened to be a serious flood, which would bring the city flood, defence people into action, was also gone into at this conference. It was reported to council on Tuesday night.

"Both dams have been closed and show has been cleared above the 5,000 foot level," the Mayor stated. "I think good work was done on the creek by putting in timber weirs and repairing others. There is an absence of rolling boulders and I think the use of weirs is the correct one."

Turning to roads, he referred to Evans Loop and Pineview Road, now nearing completion and apparently satisfactory to fruit growers. He referred to other work underway or in the planning stage.

"Council, in consultation with the public works department, is undertaking some re-organization in the engineering department," he informed ratepayers, "we feel it will be an improvement. And that is why we are advertising for a superintendent."

Duties will include supervision of all construction work carried out by the board of works, domestic water and irrigation departments and co-ordination and allocation of equipment, responsible directly to the city engineer.

Returning to a discussion on roads, Mr. Matson revealed that provincial government officials had informed him that Westminister Avenue will be paved from curb to curb. And he had words of hope for auto court owners and other business establishments located on Lakeshore Drive.

"It is our intention," he declared, "to have a directional sign erected pointing out to the visitor that he has a choice of three ways to travel through our city. We hope to make Riverside Drive a tree-lined boulevard and I am sure many tourists will want to use that route."

Preliminary town planning report has already been received, he continued, and the completed drafts ready in September, "will be a splendid one."

Concluding his remarks, Mayor Matson praised council members for their co-operation and suggested that various aldermen be asked to address future meetings of the Ratepayers' Association.

### Malt Liquor, Wine With Meals Only

Regulations applicable to dining rooms under the new Liquor Act are published here for the information of Penticton voters who tomorrow will vote for or against the sale of beer, ale, stout and wine with meals in city restaurants.

According to the Act, (1) In every dining room (a) the tables shall be covered with tablecloths or other equivalent covering or surfacing.

(b) An adequate supply of flatware, china and other table service shall be available and used; and

(c) Meals, for which adequate menus shall be provided, shall be served at regular breakfast, luncheon and dinner hours.

2) In a dining room, malt liquor or wine shall be served only to a person having a meal therein while seated at a table.

### MONEY AVAILABLE

Funds for the domestic water survey reported in the Herald a week ago, have now been made available, through internal adjustments.

Regular monthly meeting of Southern District Council, BCFGA, will be held Saturday at the Hotel Prince Charles. Time of the meeting is 2:30 p.m.

### Object To Proximity To Chemical Plant

## City Ratepayers Critical Of Proposed School Site

A barrage of questions were hurled at school board chairman, P. F. Erout, when he announced the proposed site of a 10-room elementary school at last Thursday's meeting of Penticton Ratepayers' Association.

Mr. Erout said the six-acre site lies in the area of Birch Avenue and Power Street, north and east of the arena, is in the centre of a densely populated area and has been recommended by experts called in to probe the vexatious problem of school decentralization.

Ratepayers were both critical and inquisitive. Critical, inasmuch as they didn't like its adjacency to the chemical plant and its odor. Inquisitive as to how this was determined as the most suitable location and what price would be paid for the acreage.

The board chairman informed them that an offer of \$2750 per acre was being made and admitted that owners of the property were asking as high as \$3000 per acre. Final decision would be made by an arbitration board with their price binding on both parties.

"Regardless of all other problems in our community life," Mr. Erout commenced, "the question of schools will always be with us. Number of children is on the increase and your board is on the verge of looking ahead for the next 20 years so that we will not, in the future, face the difficulties of today."

He went on to explain that an ideal site should be located within five minutes of a mile walking distance for any pupil.

This statement brought criticism. Ratepayers, many of them former public tenants, rose to their feet to tell of walking three or four miles to school in deep snow and below zero weather.

Mr. Erout explained that the distance he quoted had been set by the department of education as approximate maximum mileage a child should have to walk.

"We must consider," he continued, "that transporting youngsters costs us about \$25,000 a year and that is an item paid out for which we get nothing in return but a receipt. And if walking distance is too far and a youngster stays home in inclement weather, it costs you, the taxpayer, \$1.50 for each pupil day lost."

Penticton is a difficult city to zone, he continued, because of its piecemeal construction and it must be considered there are only certain places suitable for a school.

He told of previous efforts by the board to obtain a portion of Queen's Park but this idea had been turned down by the parks board and council because it was their feel.

(Continued on Page Two)

### Tourist Association In New Home

Penticton Tourist Association has a new home. President of the organization, Will Dupont, announces opening of the tourist information service at 152 Main Street, in the building which formerly housed Radio Station CKOK.

Centre and its services are made possible through subscriptions from businessmen associated with and interested in the tourist industry. Mr. Dupont is anxious that everyone makes use of the services provided by the information centre for the purpose of accommodating visitors to Penticton.

It is gratifying to those who have made possible the Penticton Tourist Association," Mr. Dupont stated, "through their subscriptions and efforts we are able to report a very favorable response to the advertising and publicity campaign conducted through March and April of this year."

Telephone number of the information centre is 4196.

### Ask Money From Old Hospital Sale Set Aside For Chronics

Two letters were read at Tuesday night's council meeting, one from the Business and Professional Women's clubs, the other from the local chapter of registered nurses, both asking that the money derived from the sale of the old hospital go toward the construction of a suitable hospital for chronic cases.

In this instance it will be held in obedience, until expiry of the council resolution covering the funds. They will then be reconsidered. Council has sealed the funds until the operation of the old hospital as a senior citizens' home is fully assured.

## ARBITERS FOR PACKHOUSE DISPUTE NAMED

Okanagan Federated Shippers Association announce that J. C. Munro of Vancouver has been nominated to represent them on the arbitration board that is now being set up to deal with the dispute involving Packinghouse wages throughout Okanagan Packinghouses for the 1954 season.

The points of reference, according to Conciliation Officer G. A. Carmichael, are:

1. Rates of pay — hourly and incentive.

2. Payment for statutory holidays.

3. Adjustment of minimum hourly number of boxes packed to compare with hourly rates.

It is understood that the Fruit and Vegetable Workers' Unions have nominated W. H. Phelps of Vernon as their representative on the Board, and as soon as these two parties receive their official appointment from the Labor Relations Board, they will proceed to the selection of a chairman. In this instance it has been agreed by the employers and the union that the chairman should be a County Court Judge.

It is anticipated that the board will sit in Kelowna early in June.

## Question Of Drinks With Meals Decided Tomorrow

Penticton voters will go to the polls tomorrow (Thursday) to vote upon the question, "do you approve of the sale of beer, ale, stout and wine, only under a dining room license for consumption with meals on licensed premises."

All voters within the Penticton provincial polling division, who are on the provincial voters' list, are eligible to cast their ballots. This includes registered voters on the west and east benches.

Voting will be from 8 a.m. to 8 p.m. at the Scout Hall on Jermyn Avenue, with A. T. Longmorn, official returning officer.

A 55 percent affirmative vote is required to approve the sale of malt liquor and wines in Penticton restaurants, a 45 percent vote being sufficient to defeat the measure.

The vote is being taken as a result of a petition containing 2400 signatures, asking for a plebiscite on the question of the sale of intoxicants in city restaurants.

The monster petition was secured after City Council had refused to request the government to take a vote on the issue.

Efforts to secure a similar petition in Kelowna failed and, as a result, Kelowna restaurants are free to apply for licenses under the new Liquor Act.

Restaurant owners here are, for the most part, non-committal on their plans should the vote tomorrow approve the sale of malt liquor and wine with meals.

For one thing, restaurant proprietors are not sure what would be required of them by the government before granting a license. One restaurant owner says even officials of the Restaurant Owners' Association are in the dark.

It is generally agreed that one application for a license here would be followed by others.

**LESLIE CARON**, as a homeless French waif, finds security and romance with Mel Ferrer, a carnival puppeteer, in "Lili," M-G-M's unusual Technicolor musical romance, which comes to the Capitol screen Thursday, Friday and Saturday. The two puppets, Carrot-Top and Reynaldo share stellar honors in a cast which also includes Jean Pierre Aumont, Zsa Zsa Gabor and Kurt Kasznar.

## The Member Reports

By O. L. Jones, M.P. for Yale

The Minister of Transport introduced a Bill to amend the Radio Act in order to authorize United States personnel and certain immigrants to work as radio operators. The present Radio Act provides that no one shall be employed as a radio operator unless he is a British subject.

While the Emergency Powers Act was in operation (this was cancelled last month) authority was given to the United States to establish radio stations in Northern Canada to employ operators who were not British subjects. This act legalizes this station as well as removing another anomaly that has arisen whereby several new, non-British immigrants are employed as taxi drivers using a two-way radio in the course of their duty. Strictly speaking, this has been illegal up to now and some of these immigrants have been unable to secure jobs for that reason. This Act will allow non-British subjects to use such radio facilities.

Mr. Greig, in answer to a question in the House, mentioned a little known branch of his department that has been doing excellent work. I refer to the training of unemployed persons to fit them for suitable employment. This is a short term training course, not exceeding 12 months and operating under the Canadian Vocational Training program. The cost is borne equally between the Provincial and Federal Governments. Eight of the provinces provide such a program including British Columbia. But, in the list of ac-

counts incurred by this department, I notice that British Columbia, with a federal contribution of \$10,432.14, received the least and Nova Scotia, with a federal contribution of \$78,289.25, received the most. Perhaps the need is not as great in British Columbia as in Nova Scotia or maybe, on the other hand, we are neglecting an opportunity to take advantage of an excellent scheme for rehabilitating some of our unemployed.

The government indicated that it does not intend to make public the entire report on an investigation into the Reserve Army. A White Paper on defence, recently tabled in the Commons, merely said that some conclusions from this report will be announced in the near future. This report is understood to have drastic recommendations, even to abolishing some of the Reserve Force Units and the merger of others with other units in Canada. At the end of March, the Army Reserve Force strength was placed at 45,500. There has been a desire, on the part of many Canadians, to stream-line the reserve forces in order to bring them up to date and to induce young men to join. This report, which we may never see, was intended to suggest the necessary steps to be taken.

Certain equipment purchased by municipalities when exceeding the value of \$1,000 will be exempted from the Federal Sales Tax. This exemption is on certain heavy equipment for road making and fire fighting. Many ex-municipal administrators who are now Members of Parliament tried to induce the government to exempt all purchases by a municipality from this tax. While we did not succeed in this extent, the government, by the exemption granted this week, accepted the principle and, no doubt, in due course will extend the exemption to cover all municipal purchases providing municipal organizations throughout Canada continue to demand complete exemption. During this debate, Mr. Drew renewed his attack on the Federal Government for its stand on the income tax dispute with the Quebec government. He claimed that the federal attitude was for one purpose—that of concentrating all financial power under its control. Mr. Drew demanded the calling together of all the provincial governments to discuss with the federal government the tax relations. Mr. Drew's attack failed to disturb the government supporters. The Prime Minister has made it known that, if Quebec have a sound proposal to offer which will lead to a settlement, the government is willing to listen. But, so far, no direct approach has been made by Mr. Duplessis although, on several occasions, he has made public statements through the press and radio presumably to appease his followers. Obviously, speeches on radio and through the press can, in no way, be regarded as a direct approach to the government. This is the interpretation placed on the situation by members of the cabinet.

The Canadian Legion renewed their request to the Prime Minister for higher War Veterans' Allowances for approximately 40 burned out veterans and their dependents. The Prime Minister and Veterans Minister Lapointe conferred for 30 minutes with the Legion delegation headed by Dr. Lumsden, its president. Later, Dr. Lumsden told a reporter: "This will awaken wide-spread indignation and resentment among veterans."

The Legion had arrived in Ottawa to attend the meetings of the Special Veterans' Committee and had this interview with the Prime Minister before the first meeting was called to ask if the former reference could be extended to include War Veterans' Allowances. The government has already ruled out any discussion on this subject before the committee.

The Prime Minister definitely

## More Booths, Free Help Sought For Civic Vote

Suggested changes in methods of conducting civic elections will be passed on in letter form to City Council from Penticton Ratepayers' Association.

### Superintendent Of Works To Be New City Appointment

A committee report covering the recent announcement made by Mayor Oscar Matson respecting the change in the city engineering arrangements, was received and adopted at Tuesday's council meeting.

The report, confirming the statement made at the Ratepayers' meeting by the Mayor, calls for the appointment of a Board of Works superintendent, to replace the present assistant city engineer. The new official will co-ordinate all outside work, and be responsible directly to City Engineer Paul G. Walker.

**OLIVER** — Mrs. Gordon Hilde gave birth to a daughter, May 21 at Kitimat. Mother and daughter doing well.

stated that they had no intention of considering an increase in the allowances at the present time. Present basic allowance of burned out veterans is \$50 a month for a single veteran and \$90 for a married one. The Legion seeks, therefore, to have these rates increased to \$60 and \$120 respectively. A great deal of the discontent among veterans would disappear if the ceiling on total earnings was increased. In this way, many veterans could take part time work that would add to their income sufficiently as to enable them to maintain a decent standard of living. However, this matter will, no doubt, be thrashed out when the committee meets later this week.

The Commons Banking Committee has approved a revolutionary amendment to the Bank Act which allows Chartered Banks to lend money on chattel mortgages for the first time in history. Under this change, Canadians could obtain bank loans by putting up automobiles, television sets, furniture and other household goods as security. But this proposal, before coming law, has to receive the approval of both houses of parliament. Mr. Abbott indicated government support to the measure, therefore, it is almost sure to become law. The same committee agreed to enforce the re-aching 75 years of age. The object of the new change is to allow banks to make a wider range of loans to Canadians who, otherwise, might have to pay very much heavier interest charges to small loan companies. Under a similar system, for instance, the Canadian Bank of Commerce has already been loaning on a personal basis at 11 percent as compared with 24 percent by small private loan companies. This was the statement made by the general manager of the Canadian Bank of Commerce, Mr. Neil McKinnon.

These will include establishment of at least four polling stations and the voluntary assistance of ratepayers in such jobs as deputy returning officers, polling clerks and tally clerks.

"This is an old bone of contention," declared A. D. Murray, who sparked the discussion, at last Thursday's meeting of Penticton Ratepayers' Association.

He told of being a scrutineer at the last election so that he could determine just how polling day is conducted. "I was somewhat shocked at what I did see. I saw what in my opinion was very sloppy operation," he said.

Mr. Murray deflected a returning officer as necessarily an autoclave, with deputy returning officers, clerks and scrutineers under his orders.

"I was surprised to see the returning officer not directing affairs but instead he was sitting over in a corner counting votes." The speaker was critical over the use of school students as tally clerks, and he summed up his feelings by stating, "what was the matter was haste."

Mayor Oscar Matson also criticized method of conducting civic elections. "My complaint centres around lack of booths and the length of time people have to stand in line," he said.

### Legion Ladies

(Continued from Page One)

in elementary, junior and senior high schools.

Registration gets underway May 30 with a late afternoon parade to the cenotaph, church services at St. Saviour's Anglican Church and tea at Legion Hall. Opening ceremonies and address of welcome May 31 will be followed by luncheon aboard SS Sicamous, reports, an evening scenic tour and entertainment. Highlights for June 1 include business sessions, a convention banquet at the high school cafeteria. Election of officers, and closing ceremonies take place June 2.

Besides Mrs. Erickson on the executive are: Mrs. F. C. Jones, Quilicum, and Mrs. E. Swan, Victoria, honorary presidents; Mrs. W. H. Green, Cloverdale, immediate past president; Mrs. A. McLennan, Vancouver, executive secretary; Mrs. J. S. Black, Prince Rupert, Mrs. A. McDonald, Victoria, Mrs. F. Middleton, Trail, Mrs. D. O. Neill, Seattle, Mrs. R. Denison, Lumby, Mrs. C. Breeden, Vancouver, Mrs. N. Kirk, Penticton and Mrs. E. Armishaw, Nanaimo, all vice-presidents.

Captain of standard bearers is Mrs. M. Field, New Westminster; pianist, Mrs. Irene Prentiss, Penticton; sergeant-at-arms, Mrs. Irene Finlayson, Penticton.

### City Ratepayers

(Continued from Page One)

ing that no park should in any way be dismembered. Later investigation proved that sewerage problems there would make construction prohibitive.

"We have spent a great deal of time trying to find a proper site," Mr. Eratt said, "many things must be considered such as the area to be served, the fact that it takes a minimum of one acre for every 100 children in addition to space taken up by the building and, of course, the cost factor."

A ratepayer pointed out that strongest odor from the chemical plant was evident to the north and south because of prevailing winds, to which the board chairman replied, "we don't propose to put the school either north or south of the plant."

Mr. Eratt declared that a decision must be made and a new school placed in operation by fall, 1955.

"I believe the suggested site is the best one available," Mayor Oscar Matson broke in, defending Mr. Eratt's argument and discussion ended.

**MRS. J. SUNDERWOOD** currently visiting her homeland, shown in her native costume. See story page 3, section 3.

**OLIVER** — Fred A. Miller, son of Mrs. George Miller of Oliver, left Wednesday for an extended holiday tour of Europe. He will make his headquarters with relatives in Belgium and visit all of Europe that is open to him. He will be away about a year, and on his return will make his career with the RCAF.

**BROWNIES HOLD TEA**  
On Wednesday, May 19, the "Fairy" group of the Penticton Brownies Pack held a tea as their division Good Turn. It was held at the home of Arlene Kay, who

was a hostess with Janis Caruthers and Prissy Osborne. The pack realized \$5 from this event which will be used to help purchase camp equipment.

# NEW HOME 10-30 MOTOR OIL

## Saves Gasoline!

# SAVES UP TO 1 GALLON IN 7

## SAVES YOUR ENGINE TOO!

FROM YOUR HOME OIL DEALER

# HOME

HOME OIL DISTRIBUTORS LIMITED  
The British Columbia Company

**Amazing, NEW 10-30 HOME EXEL MOTOR OIL** saves gasoline (up to 1 gallon in 7), cuts oil consumption and saves your engine, too! Here is why:

**SAVES GASOLINE.** Notice how quickly your engine starts in all weather... saves gasoline. It warms up faster, with maximum motor protection... saves gasoline. The thinner, tough oil means less drag... saves gasoline.

**KEEPS ENGINES CLEANER AND PROTECTED** under toughest stop-and-go conditions. Increased amounts of special additives fight corrosion, sludge and varnish... protect your engine.

**BEST FOR HYDRAULIC VALVE LIFTERS.** Home Exel 10-30 is guaranteed to meet manufacturers' most stringent requirements, keeps valves free, overcomes sticking.

**NEW HOME EXEL 10-30 MOTOR OIL** gives you more gasoline mileage, stepped-up power, quicker starting, less wear, greater protection for your engine... more than justifies the slight additional cost. **PROVE IT YOURSELF—GET NEW HOME 10-30 MOTOR OIL**

Tested in thousands of miles of driving in taxicabs in the Vancouver area.

## The Liquor Vote

People of Penticton will go to the polls tomorrow to have their say on the sale of beer and wine under the so-called dining room licenses.

The question seems to be a vague one, in the minds of many people, and the Herald would therefore like to stress a few points in advance of the vote.

First, hard liquor does not enter into the picture. Whether or not tomorrow's vote passes, no restaurant will be empowered to sell anything other than beer and wine. The cocktail lounge license, usually granted only to approved hotels, is not in contention.

Secondly, there will be no "bars" for beer or wine in such dining rooms, even if a favorable vote is cast. According to the regulations as laid down in the relevant act, permission for sale of beer and wine will be given only if meals are served under certain conditions, such as provision of table cloths and other amenities, and no person will be served unless he is actually having a meal and is seated.

So it comes down to this, that what Penticton is being asked to approve, or disapprove, is the question of beer and wine with meals in dining rooms of a certain standard.

If the long obsolete liquor law is to be amended at all, it would seem that what is contemplated under this suggestion is hardly a revolutionary or community-shaking proposal, and a good deal of the rustling in the local dovecotes recently seems to us to be rather questionable.

The Herald, which has for many years taken the view that the liquor regulations would have to be changed, wishes to sum up its opinion again. If we're going to have liquor at all, and we certainly are, its permitted use at meal-time, in public places, is realistic and surely more likely to contribute to the dignity and pleasure of life, than liquor usage in any other way, shape or form.

A tourist or other diner-out in our midst is more entitled to have liquor with his meals than at any other time in his day, in our judgment. In any change in the liquor laws, whatever, this mild concession we would think to be first to be granted by a maturely sensible society. Yet such is the paradox arising locally that this feature is being singled out as the chief target for opposition.

## Determination And Spunk

Penticton's Allan Cup victory is still rousing comment and discussion. A chain reaction of interest has particularly stirred the weekly press, for communities of somewhat similar size have been the ones most likely to compare themselves.

The Chilliwack "Progress" last week devoted its leading editorial to Penticton's hockey success, with the following commentary which will be found of interest to Penticton readers:

Anyone in Chilliwack with an ounce of sporting blood in them shared the thrill Penticton people felt when their hockey team finally won the Allan Cup, emblematic of senior amateur hockey supremacy in Canada.

The uphill struggle Penticton had to wage to take the championship captured the interest of Canadians everywhere. During the course of the series, many a Chilliwack sports minded person—some of whom have never seen a hockey game—wondered: "Could this ever happen in Chilliwack?"

What kind of a town, what kind of a community spirit does it take to produce in an arena, a championship hockey team?

Penticton's Allan Cup victory proved that a small town can do just about anything it sets its collective mind to do. And the Allan Cup race put the name of Penticton across the pages of newspapers across the country. Penticton will be one of Canada's best known, best thought of small centres, as a result. People will regard it as the small town that is aggressive, co-operative, able to think collectively on a big scale, willing to work for the community, unified and strong. This kind of a centre will attract people, business money. The community, like the hockey team, couldn't be discouraged. Daily criticism

Our own view is that if there has to be restriction, it would be actually better to restrict every other type of sale except what would be forcibly linked to dining. Yet the development seems to be quite to the contrary.

We know that the whole question can be over-simplified. It is an issue on which people can become bitterly antagonistic and we repeat what we said earlier in these columns—that Penticton's quiet composure in approaching the vote speaks well for all participants in the argument.

Nor do we wish to appear to be belittling a lot of sincere and conscientiously thoughtful people whose anxious study of the matter has prompted them to sign an earlier petition in large numbers—to such an extent, indeed, that the securing of the necessary 55 percent in tomorrow's vote to broaden the liquor sale seems a dubious outcome, even when all that is contemplated is sale of beer and wine rather than the hard liquor.

The Herald says what it feels on this issue, regardless of the fact that the balloting tomorrow may very well show that the Herald is with a minority.

To say anything else would be hypocritical for us. So we repeat our feeling that if liquor is to be recognized and allowed for sale in any way whatever, its sale at mealtime, under certain standards, should come first, rather than be turned down first.

Kelowna, with an eye for the tourist traffic, will be allowed to have dining room licenses, for a contrary petition failed there. This is a point that will have some bearing on a number of voters. But we do not particularly stress it. It is not as a business-winning feature that the suggested widening of sale stands out, though this cannot be completely overlooked. What motivates us is what seems to be an irritable twin appeal of common sense and honest principle.

Even if tomorrow's vote should pass, we have no idea how many, if any, would meet the standards, or would want to, of a dining room license. But we wish to be on the record as to what we think the changing liquor regulations should embrace.

couldn't dissuade them; neither could what seemed like terrific odds.

Couldn't it happen in Chilliwack?

A lot of people, of course, don't care if it never happened. A lot more people wish we had at least the desire, the drive, the community oneness to concentrate on something and follow it through. We might not be able or want to win an Allan Cup—but have we the capacity to try for that or something similar? Have we the desire to be the best at something—anything?

Is life in Chilliwack so easy, so soft that we don't care? Our climate, the productivity of our soil—are they conducive to a sit-and-do-nothing atmosphere?

Certainly we've tried many things and we have done many things to make our district a better place in which to live. But a constructive effort by all of our people on a voluntary basis is a longtime overdue. We've poured more money into box parks, community halls, baseball fields and tennis courts over the years than would be needed to provide first class facilities for all sports, all entertainments, for a lifetime. Most of our community halls are rotting away; our second box park is supposed to be closed; our ball parks are being changed again. We have no place for hockey, skating or a major entertainment of any kind. We have a score of halls catering to this group or that—none large enough for more than one-twentieth of our population.

Do we really want to get together on something or are we content to split ourselves into little religious, racial, sports, social, economic and business groups, indifferent to each other, disregarding the whole, concentrating only on our own little world?

Allan Cup hockey isn't the be-all of life. But the community that has the determination and spunk to be capable of even thinking it could do what Penticton did has something, now and in the future, that more of us should look at.

## Toll Roads For Canada?

Recently an eastern Canadian publication asked a group of traffic, tax and construction authorities the advisability of toll roads for Canada. Answers were about evenly divided though most of those in favor added one big if—"If the area through which the road would travel has enough traffic to pay the cost."

Opponents had a variety of reasons.

## "Think Of The Future"

Building of the St. Lawrence Seaway will put a further squeeze on the best fruit lands of Ontario, warns The Financial Post.

Most Ontario tender fruits are grown in the area around Lake Ontario and in the Niagara peninsula, some in Western Ontario. Already there are estimates that 20 percent of the good peach-growing land has gone for housing and in-

dustry. More and more orchards are being devoured, as the number of old orchards now supply shade and fruit for urban workers and their families.

The industrialization and increased population which the seaway is expected to bring will mean further gobbling up of tender fruit lands. Since only a small portion of Ontario is suitable for the industry, it is certain to decline.

## Letters To The Editor

Letters to the editor must carry the name and address of the sender. Pen names will be accepted for publication but preference will be given to letters published over the writer's own name.

The Editor,  
Penticton Herald.

## THANK YOU

Through the medium of your paper, I would like to express my sincere appreciation to the "Junior Chamber of Commerce", who were so kind to choose my house for their project of "Paint Up, Clean Up Week".

Again, may I say many thanks.  
Mrs. D. E. Thompson,  
424 Heales Ave.

The Editor,  
Penticton Herald.

## GOOD CITIZENS

Will you kindly allow space for a sincere expression of thanks to those who co-operated so willingly in carrying out the Canadian Citizenship Ceremony on May 21.

Special mention should go to the Penticton City Band, Legion Pipe Band, Major J. V. H. Wilson, M.C., B.C. Dragoons, Canadian Legion, Girl Guides and Brownies, and Diamond Jubilee Chapter, IOOE.

To Technocracy, Inc., go our thanks for the loan of the P.A. System, which is owned by the local branch of that organization. We also thank Greyell's for the microphone stand.

May we also thank those good

citizens who took part. His Honor Judge Colquhoun, His Worship Mayor Matson, Reverend R. Eagles and Reverend Ernest Rands; Eric Boultbee, and H. C. Lowell who kindly set up the P. A. system.

Penticton Canadian Club,  
H. KINGSLEY,  
Chairman of Committee

The Editor,  
Penticton Herald.

## APPRECIATION

May we, through the medium of your valued paper express our sincere thanks and appreciation to all those who so willingly assisted us last Saturday in providing transportation to the polls, also those who helped in so many other ways to make a difficult job easy. Special mention to Al. Loughheed, Frank Christian and George Arsen for the use of Central Building as headquarters. W. A. Loughheed and his committee for their co-operation. C. Hultgren and H. Parker for allowing us to use their paper space and many others, who offered to help in as many ways, again we say thank you.

Newhope Benevolent Society,  
per C. W. WRIGHT,  
Secretary.

## NEWS FROM Victoria

By J. K. Nesbitt

VICTORIA — Mr. Speaker Thomas Irwin, who must sit through hours and hours and hours of legislative debate, and pretend he's interested, when he's not, has at last unburdened himself.

He spoke on a public platform the other day and he announced to all and sundry that the Legislature is filled with wind-bags. Well, now, imagine that Mr. Speaker, who's supposed to be the very embodiment of dignity and courtesy, calling honorable MLA's a big bunch of wind-bags. One never heard the like! It's a remark that will go down in our legislative history.

The Shorter Oxford English Dictionary defines windbags as "An empty pretender, or something pretentious but unsubstantial; a voluble and senseless person."

"There was a great deal of unnecessary wind-bagging at the recent session of the Legislature," said Mr. Speaker. "There's a great wind in Victoria anyway. Just why the legislature of this province should add to it I can't tell."

In this capital an MLA can talk as long as he likes, and some times it's plenty long. Some take great pride, for instance, in being able to "talk" their constituents through for two hours. They may not have said anything, but, no matter — they talked for two hours.

A two-hour speech, of course, doesn't take much preparation. It just rattles along. Anybody can make a two-hour speech. It's the lazy man's way of making a speech. A 20-minute speech filled with thought and ideas, takes hours to prepare.

There's a story along this line told about Lincoln. Somebody asked the president how long it took him to prepare a two-hour speech. The President said about 15 minutes. This surprised the questioner, who said that of that two-hour speech — how long would it take Lincoln to prepare a 15-minute speech — no time at all?

To this the President replied it would take him at least two hours to prepare a 15-minute speech.

Last session, in an effort to take some of what he now calls wind out of MLA's speeches, Mr.

Speaker told members they must no longer read their speeches. Mostly, naturally, MLA's ignored Mr. Speaker on this, and kept right on reading. If Mr. Speaker attempted to stop them, they said they were merely referring to notes, when it was quite obvious they were reading, word for word, from a prepared text. What could poor Mr. Speaker do?

So now he gets even. He calls MLA's a bunch of wind-bags. Is that dignified? Hardly — and yet that dignified. Mr. Speaker's a great one for legislative "dignity." He would never, never make, such a remark in the Legislature, but on the hustings anything goes.

Is that it, Mr. Speaker? Actually, there should be time limits to MLA's speeches. Private members should be limited to 30 minutes; there would be no limit on the Premier, or cabinet ministers, or the Leader of the Opposition, or perhaps leaders of minority groups.

In this way each member would have the chance to make two 30-minute speeches a session — in the Throne Speech and Budget debates. Surely that should be enough.

There would also be plenty of other opportunities to speak — on estimates and bills, and a 10-minute time limit here would be a good idea.

Certainly, there's far too much talking at a Legislative session.

Weeks are consumed in talk, talk — and then important business rushed through when everyone's fair talked out, and stone deaf from trying to listen, and weary of mind from trying to figure who said what, and

But, windbags? It seems a strong word to apply to MLA's especially from the keeper of legislative decorum, Mr. Speaker.

However, it's all very fascinating and entertaining. The spectacle of it — the Speaker of the Legislature running around the province announcing that MLA's engage in a lot of wind-bagging, far too much wind-bagging, at a session of the Legislature.

MLA's next session are liable to get even with Mr. Speaker by being windier than ever.

## Pioneer Days

10 years ago this week

Bernard Webber, MLA for Similkameen, left for Victoria to confer with Premier John Hart relative to the much discussed Cawston land deal.

Word was received that joint board of engineers, Okanagan Flood Control, would meet here later in the month. Wages for casual orchard workers amounted to 50 cents an hour. Present runoff and rise in water levels here were considered normal for this time of year. Oliver took exploratory steps toward establishment of municipal status.

20 years ago this week

British Columbia postmasters were meeting here in a provincial convention. Twelfth annual school track meet was held at the Recreation Grounds here. Largest apricot yield in history was expected here, with cherries, apples and peaches not expected to be up to former years

because blossoms failed to set properly. Shovel operation took place at the new Athletic Park to level grounds to track requirements.

30 years ago this week

E. J. Chambers, president of Penticton Co-operative Growers, spoke confidently regarding tonnage signed up for the coming year. Two lots at the corner of Main and Fairview avenue were accepted by the government as site for a provincial government office building. Now bridge on Summerland road over Okanagan river was being erected. Penticton offers peculiar facilities as a health resort according to dispatches quoting Dr. A. McKay Jordan, a well-known neurologist from Vancouver. Three candidates contesting seats in Similkameen riding, were Mrs. H. McGregor Liberal; W. A. McKenzie, Conservative; and P. W. Gregory, Provincial Party.

Farm Labor Office  
In New Location  
Now On Main St.

In line with the policy started two years ago, the Farm Labor office has been merged with the National Employment Service premises wherever both existed in larger centres. This was done last year at Kelowna and New Westminster and is now being done in Penticton.

Penticton Farm Labor office has now moved to the front of the National Employment Service office and will henceforth be located inside the big front window in the Board of Trade building.

W. H. Whlminster is in charge of the office and the phone number, listed under Farm Labor Office remains unchanged, 2643. Farm Labor Office hours remain the same, from 9 a.m. to 5 p.m. weekdays with the exception of Wednesdays, when hours are from 9 a.m. to 12 noon.

Conflicting reports about frost damage in fruit areas caused some slight hesitation at the top level until a survey had been made of the situation but all offices are now open and it is hoped they will be able to help growers over what may be a critical time for some.

The Farm Labor Office is always on hand with friendly co-operation for all growers.

Forest fires destroyed nearly a third more timber in Canada in 1952 than in 1951. The toll — 289,656,000 cubic feet.

Amazingly  
LOW  
FARES

Greyhound's low fares fit all budgets. Frequent, well-timed schedules, convenient departure times and choice of routes make Greyhound travel that much more enjoyable.

Boy Struck By  
Golf Ball Dies

Tragedy struck at a Vancouver home over the holiday weekend when 14-year-old Ward Fatness, of 342-62 Ave. East, died in Kelowna Hospital after being struck on the forehead with a golf ball.

Parents of the youngster flew to Penticton when they learned of the accident and were rushed to the youngster's bedside.

The Fatness boy was in Kelowna with J. J. Mielkie, of Vancouver, and the Mielkie youngster. The father was golfing and was attempting to slash the ball out of the rough at the time of the mishap.

He warned the boys to take cover and the Fatness boy crouched behind the golf bag only to raise his head at the exact moment Mr. Mielkie swung his club.

Rushed to hospital, the boy died of a skull fracture and cerebral hemorrhage.

Long Arm Of Law  
Reaches Long Way

Long arm of the law reached into Quebec to recover a camera stolen in Penticton which resulted in a charge of theft being laid against Walter Mandy, 19, of Langley Prairie, formerly of Hedley.

Mandy pleaded guilty when he appeared in police court Tuesday and was fined \$100 and costs and ordered to post a \$500 bond to be on good behavior for a year.

Camera was stolen from a car belonging to Ken Johnston last October.

Mrs. H. E. Yolland, who with Lynne, Gordon and Gail, have been guests of Mr. and Mrs. R. G. Laidman, the Bench, for the past two weeks, returned on Sunday to their home in Montrose. Mr. Yolland, who motored over to fetch them, was accompanied by his father, T. Yolland, and brother, R. Yolland, of Rossland.

Mrs. Montford A. Kelly, of Okotoks, Alberta, was a weekend guest at the home of Mrs. M. W. Forster, Government street.

## In And AROUND TOWN

Mr. and Mrs. Leo McLeod and their daughter, Judy, of Abbotsford, were weekend visitors at the home of Mrs. McLeod's parents, Mr. and Mrs. R. S. Wilton.

Miss Margaret Montague, nurse in training at the Jubilee Hospital, Victoria, spent a few days recently visiting her parents, Mr. and Mrs. Harry Montague, Okanagan avenue.

Miss May Robertson, bacteriologist at St. Paul's hospital in Vancouver, visited her mother, Mrs. K. Robertson, during the weekend.

David Davenport was among the UBC students home for the weekend, when he visited his mother, Mrs. M. Davenport.

Mrs. Wm. Hanlon arrived back on Monday after being in Spokane where she attended the

graduation exercises at Gonzaga University of her daughter, Sheila, who received her degree as a Bachelor of Arts.

Visitors over the holiday at the home of Mr. and Mrs. J. McGuire were the latter's sister, Mrs. George Hockley, and their son, Dan, a UBC student.

Mr. and Mrs. Henry Meyerhoff have returned to the city after visiting in Albuquerque, New Mexico, and in Texas and Colorado.

Mr. and Mrs. E. Blair Smith, of Vancouver, spent the long weekend here, visiting the former's mother, Mrs. H. H. Whitaker. Accompanying them was Miss Judy Wilson who went to Kelowna to visit her parents, Mr. and Mrs. R. H. Wilson. Returning to Vancouver with them was Mrs. Smith's father, H. Wilson, who has been visiting his son, R. H. Wilson in Kelowna, for the past two weeks.

Dr. and Mrs. J. F. Brander of Edmonton have been visiting in the city for the past week.

A. W. Angus of Moncton, N.B., accompanied by his two daughters, Mrs. L. McKay of Moncton, and Miss Elsie Angus of Toronto, are visitors at the home of Mrs. C. C. Bell. Mr. Angus is Mrs. Bell's brother.

Mrs. W. A. R. Kerr of Edmonton, has left after visiting for a week at the home of Dr. and Mrs. R. K. Gordon, Naramata Road.

### UBC Players' Club Delights Audience At Summerland

SUMMERLAND — UBC Players' Club presented George Bernard Shaw's, "Major Barbara," to a delighted Summerland audience on Friday evening, in the school auditorium.

The play was directed by Joy Coghill and Louise De Vick who played the part of "Bessie" in the production of "Tobacco Road," in Vancouver was cast as Lady Undershaft.

Eve Newitt doubled in the parts of Sarah Undershaft and that of Rummy Mitohens and Roger Mossop had a dual role as Stephen Undershaft and an excellent Shabby Price.

Barbara Schwenk, an undergraduate from Penticton, played the part of Jenny Hill, appealingly.

Groupings were remarkably effective, and the use of split levels on the stage was intriguing.

The group came under sponsorship of the UBC Alumni Association, Summerland branch, and visitors were billeted at the homes of members.

About twenty attended from Penticton.

The Adams grader, owned by the city has been in process of an overhaul, including removal and repairs to the engine and transmission.

It was reported to council on Monday that additional mosquito control sprays had been carried out during the previous week.

AN ACTION SHOT from the motion picture "Moulin Rouge", a story of Paris in the eighties starring Jose Ferrer, Zsa Zsa Gabor and Suzanne Flon. "Moulin Rouge" shows tonight, Thursday, Friday and Saturday at the Pines Drive-In Theatre.

### Summerland High School Graduating Class Holds Variety Concert

SUMMERLAND — The third annual Variety Concert to be given by the graduating class was held in Summerland junior-senior high school last week, and moved along quickly with Frank Lauer as chairman.

The entertainment is held each year to raise funds to help finance graduation day ceremonies and festivities.

There was a skit entitled "Weather or Not", the cast including Barry Sinclair, June Willis, Allan Cornish and Frank Lauer, and the Singers and Players' club presented "Dark Lady of the Sonnets" their entry in the zone drama festival at Kelowna last week when Sylvia Perry was awarded honorable mention. Others in this play were Flora Bergstrom, Allan Butler and Frank Plunkett.

Musical numbers were a trumpet solo, Jack Pohlmann; accordion and violin duet, Melvin and Allan Wallbank; piano, Eugene Bates, Richard McDougald; guitar, Teddy Hannah; clarinet duet, Margaret Marshall and Phyllis; clarinet polka, Larry Crawford; electric guitar, Teddy Hannah, and selections by the school Play Boys' orchestra.

Vocalists were Marilyn and Arlene Embree, Carol Cornish, Ruth Schindel, Esther Huva, Ella Monr, Barbara Baker accompanied some of these.

Barry Piers did a tap dance, Jean Kersey a Welsh one, and in the pretty Spanish dance were Lynn Bothe, Barbara Fudge, Louise Shannon and Carol Hackmann.

Girls in the group ballet were Carol Hackmann, Barbara Fudge, Lynne Bothe, Anne Macleod and Marilyn McKay, and the grade 10B girls presented a Mexican number. Mrs. Lionel Fudge was pianist for the dancers.

There was an attractive display of club swinging by Diane Durick, Marilyn McKay, and Irene Pennington, and Wendell Schwab, one of the teaching staff, and Nan Solly gave a difficult gym display.

Bill Krause is president of the senior students' council, vice-president, Leila Lewis, secretary, Ruby Jomori, treasurer, Ron Lawley, graduation chairman, Allan Cornish.

Light luscious and lovely are the coats designed for southern resort and cruise wear. Many, and these are the most popular, are of fine wool fleeces in warm pastels — pink, blue, and coming in a delightful sea-foam green. The line is fairly full and rather loose, and the collarless neckline is liked.

Mrs. Ruby White, Past Worthy Mistress, Okanagan LOBA, No. 1152, Penticton, and Mrs. Louisa Kennedy, Worthy Mistress, Hope No. 915, Summerland, have returned after attending the Right Worshipful Grand Lodge Sessions held in Hotel Grosvenor, Vancouver.

Most people know of Jackie Gleason, comic, who lays 'em in the aisle in TV and night club performances, but Jackie Gleason, musician, is another story.

For someone virtually unlettered in the field of music, Gleason has been remarkably successful with the flats and sharps. Actually, Gleason knows music about as well as a high school freshman knows Sanskrit, yet he has written a few modestly successful numbers, fronts an orchestra and has managed to create a stir in the record field.

When it comes to writing, Gleason is helped along by a newfound knowledge of chords, but marking them down on paper involves a mysterious system known only to Gleason.

One of the Gleason works, Melancholy Serenade, serves as the theme on his television show and is a pleasant bit of melodic effort.

As Gleason puts it, "Abe Attell once told me that the minute rest a boxer has between rounds is like a week-end in the country. That's how my music is to me."

Music can mean a lot to you too... once you hear the Minshall Organ. For Relaxing and Entertainment there is nothing that can compare with playing a musical instrument... so won't you drop in at 278 Main St. and let us show you how much enjoyment awaits you when you own a Minshall Organ.

PENTICTON SCHOOL AUDITORIUM

Sponsored by Penticton Kiwanis Club

THAT'S "VH CAKE!" Dorothy Rimmer, Super-Valu home cooking economist, and Grant Warwick, playing coach of the Canadian Championship V's, are showing to a delighted audience at the Super Valu home cooking school, held throughout last week. The occasion was Men's Night, Thursday, and there wasn't even standing room at the Legion auditorium. Dorothy whipped together the delicious morsel on stage as part of the many cooking demonstrations. The Penticton V's were also each presented with one of Super-Valu's famous flavor tested Red Brand Steaks in recognition of their recent Allan Cup Victory.

Service Of Thanksgiving  
In St. Stephen's Church

SUMMERLAND — A service of Thanksgiving for the safe return of Her Majesty Queen Elizabeth II. and the Duke of Edinburgh, was held in St. Stephen's Anglican church on Sunday morning.

Canon F. V. Harrison conducted the service taking as his text, "Be ye steadfast; unmovable," and members of the Canadian Legion and Ladies' Auxiliary to the Legion paraded. Harry Howie, Legion president, read the first lesson.

Improvements will be carried out on Nelson avenue from Government to Kensington streets, council agreed on Monday.

Service Club  
Shower For Bazaar

SUMMERLAND — A shower for the fall bazaar occupied members of St. Andrew's Service Club at Monday's meeting, and entertainment included a delightful duet by Mrs. Margaret Millward and Miss Chris Mair, and items by daughters of Service Club members, Gail Henker, Anne McLachlan, Donna Laidlaw, Linda Rumball, Darlene Shannon, Elaine Dunsdon, Diane Haggman and Ginny Braddick. Mrs. Lionel Fudge was accompanist.

In the regular business session, Mrs. W. R. Powell led the devotional period and reports on the luncheon and dinner served at the WMS presbytery were heard from Mrs. M. Gronlund and Mrs. Blair Underwood.

Mrs. W. H. Durick spoke interestingly on the work of the C.N.I.B. More clothing for Korea will be packed and shipped, it was reported.

Your three V's, vim, vigor and vitality, depend on the food you eat. Good food contributes to your health. Your health, in turn, has a direct influence on your appearance and your performance. A good breakfast means a good start — to your successful day and a happy disposition.

SOCIAL EDITOR

MRS. HAROLD MITCHELL

DIAL 4055

Big Financial Undertaking Has Been Accomplished;  
Junior Hospital Auxiliary Pledge Is Now CompletedMrs. E. Holler  
Speaker At W.I.

SUMMERLAND — Members of Summerland Women's Institute meeting Friday during Citizenship Week listened attentively when Mrs. Erica Holler spoke on Citizenship.

Mrs. Holler, who came as a bride only a few years ago, spoke of the privilege we all have in living in Canada which she named, "one of the best, if not the best in the world". She developed her subject from the individual, through the community to the larger democracy, which she said is "a way of achieving, and has to be applied carefully, and that it is we, who have to make it work properly."

Mrs. C. H. Eisey, president, in presenting a life membership to Miss Marian Cartwright who has worked in Summerland W.I. for 38 years, said, "I hope it gives you as much pleasure to wear it, as it does to us in giving it."

Mrs. Alex Inch gave an interesting report of the Penticton rally, and later was appointed a delegate to the provincial conference to be in Vancouver in June.

Mrs. Eric Tait, convener of home economics, said the tailoring course sponsored by the W.I. with Miss Eileen Cross of UBC extension, in charge, was successful. Fourteen attended the classes and at the meeting, Miss Edith Joyce modelled a pleated suit made there. The material had been obtained through sending away old woolen material.

The kindness of Okanagan Falls W.I. was appreciated in donating one of their cook books to be sent with other recipes from Summerland W.I. to India.

It was noted that the Summerland resolution to give a W.I. trophy to the provincial musical festival passed at the rally, and will be taken up at the provincial conference.

The next meeting will be at the Experimental Farm, where there will be a contest in miniature flower displays, not exceeding three inches in height or diameter. The meeting is being planned by Mrs. E. R. Hookham and Mrs. E. C. Bingham.

Mrs. H. C. Whitaker, convener of the cultural arts committee said that Summerland artists had been invited to send 35 pictures to the Town and Art Show being held at Kelowna, the first week in June, and thanked those who helped with the recent showing of pictures by Summerland people.

Kinetite Dance  
Revue May 28

There is considerable interest in the 2nd annual dance revue sponsored by the Kinetite Club which is to be in the school cafeteria on May 28. The program, theme of which is "A Day of Holiday Fun," and "Cruise and Ports of Call," will present the Penticton pupils of Jean Fuller of Kelowna.

About a hundred boys and girls will perform and with some dancers from Kelowna on the program as well.

There will be an excellent variety of different types of dancing from tap, acrobatic, adagio, to exhibition ballroom dancing, Hawaiian, and ballet, and bright and pretty costumes to make the scenes exciting and lovely.

Mrs. Mel Archer of the Kinetite Club has assumed responsibility for the occasion.

A highlight of the monthly Junior Hospital Auxiliary meeting Tuesday evening, May 18, in the Red Cross rooms with the president, Mrs. A. H. Frazer, presiding, was presentation of the final cheque, completing the \$7000 pledge made to the hospital.

Jack Young, president of the hospital board, received it with gratitude, on behalf of the board, many of whom were present as guests of the auxiliary on the memorable occasion.

In his remarks, Mr. Young, thanked the Junior Hospital Auxiliary for the cheque, and for all the invaluable assistance in the past. He said that he hoped for continued support in the future.

Other hospital board members in attendance introduced by Mrs. Roy Walker, auxiliary representative, were vice-president, Fred Pys, Mr. and Mrs. P. E. Pauls, Mr. and Mrs. T. S. Dalby, Mrs. Leighton Traviss, Miss Kathleen Ellis, and Miss Helen McTavish, acting matron.

It was reported that several representatives from the auxiliary attended the Florence Nightingale tea on May 15, given by St. Martin's Ladies' Hospital Auxiliary at Oliver, and that Mrs. Frazer was asked to pour tea.

Thanks were extended to the nine members who canvassed for the United Welfare Appeal under the chairmanship of Mrs. J. R. Morris.

The meeting decided unanimously to enter a float in the Peach Festival parade, and Mrs. G. H. McNally will represent the Junior Hospital Auxiliary at the meeting of the Ladies' Auxiliary to the Peach Festival.

The fall dance was discussed and members were asked to present a theme at the June meeting.

In her hospital report Mrs. Roy Walker suggested the auxiliary could be instrumental in purchasing for the hospital, a Halsted stretcher and a Boyle electrical cautery machine, which are needed badly.

Mrs. Harry Montague was welcomed as a new member and the evening ended with a delightful lunch served by the executive and various members.

Jayceettes Plan Big  
"Doings" For Visitors

Jayceette Club members have a busy weekend ahead of them arranging and participating in entertainment for the wives of visiting delegates who will be here with their husbands for the Jaycee convention May 27-28-29.

Friday morning a coffee hour from ten to eleven is planned to be held at the Incola Hotel, and Friday afternoon there is to be a tea on the SS Sleamious. On Saturday morning a tour of the district leads out to Sandy Beach Lodge at Naramata, where a luncheon will be served.

Mrs. G. H. McNally is convener for the coffee party, Mrs. Harold Eckert for the tea, and Mrs. Len Roth, the drive and luncheon.

General convener of entertainment at the tea and luncheon is Mrs. Tommy Walker, and flower decorations will be the responsibility of Mrs. Wally Harrison.

Girls' Auxiliary  
At Wilson's Landing

SUMMERLAND — Most of the members of the Girls' Auxiliary of St. Stephen's Anglican church attended the festival at Wilson's Landing camp over last weekend and presented a play.

FINAL CHEQUE of \$7,000 pledge to Penticton Hospital is handed over to J. T. Young, chairman of the hospital board, by Mrs. A. H. Frazer, president of the Junior Hospital Auxiliary, Tuesday evening. At left is Mrs. Howard Duncan, secretary; at right is Mrs. A. F. Day, treasurer. — Morrison photo.

Women's Presbytery Meeting  
At St. Andrew's, West Summerland

The annual meeting of the Women's Association of the United Church of Canada in the Kamloops-Okanagan presbytery was held on Tuesday, May 18, in St. Andrew's United Church, West Summerland. Mrs. G. M. Clark, Vernon, was re-elected president and asked to appoint a corresponding secretary, Mrs. S. W. Feltham, West Summerland, is the treasurer for the ensuing year, and Mrs. Rex Wiley, Vernon, the recording secretary.

After assembling in the morning, delegates from Kamloops to Castown took part in the devotional service led by the Summerland members, with Mrs. G. M. Clark, Kamloops, in the chair, and Mrs. J. C. Wilcox, Summerland, recording secretary.

Minutes of the meetings held since the last annual meeting, were read, and it was emphasized that the date of the annual meeting has been changed from autumn to spring and that subsequently the date will be set to bring it prior to the yearly conference. Date of the latter has been moved earlier so that it precedes that of the dominion council of the church which convenes every two years.

Mrs. T. E. McWilliams, Kelowna, convener of manse committees, in her report told that most of the manse have been improved wonderfully in the past 18 months, with many equipped with electrical fixtures.

Mrs. K. W. Kinnard, Vernon, convener of Christian Citizenship, gave a report of that work, saying that it could have been a more comprehensive one if all W.A.s reported to her more fully along that line.

Extent of the work being done was given more completely in reports from each association which were read during the afternoon. This includes social welfare; Senior Citizens' Homes; the unmarried mother and her child; moral issues; newcomers to Canada; overseas relief; United Nations and Canadian Consumers' Association.

An interesting part of the morning session was a quiz on "Development of W.A. Work," by Mrs. Harris of Keremeos and Mrs. M. White of Castown, including a parallel of the growth of the W.A. with that of Castown, which was said to be typical of all Okanagan valley towns.

After a devotional period at 1:15 in the afternoon, led by Oliver delegates, further reports showed a great deal of practical work accomplished in the care and upkeep of churches and manse; sales of clothing for overseas mission schools; help for the Youth Leadership Training School at Naramata, and the new United Church Training School in process of building in Toronto.

The next annual meeting will be in Oliver, it was decided. The ladies of St. Andrew's were generous in their hospitality serving coffee to the delegates on arrival and tea before their departure. A delicious luncheon was served in the church parlors at noon.

Guide Association  
Give \$70 For Tent

The local association to the Golden and Brownies voted \$70 at a joint meeting of association members and Guides on Thursday, May 20, with the president, Mrs. P. D. O'Brien in the chair. Discussion on cookie sales showed all cookies sold, but some of the money still outstanding.

Plans were finalized for Tenting Day, which is to be on June 5, at the home of Mrs. R. L. Capruthers, 608 Churchill avenue, at which time Brownies will be looked for the Golden Hand badge.

You can achieve a fresh finish for your make-up by touching your face with a damp cotton pad after the powder has set.

Donald MacDonald  
To Marry In June

SUMMERLAND — A mid-June wedding of widespread interest here, in Vancouver, and Regina, was foretold in the announcement made by Mr. and Mrs. R. D. Martin of Vancouver, daughter of the late Mr. and Mrs. J. D. Martin of Regina, to Donald John MacDonald, son of Mr. and Mrs. S. A. MacDonald of West Summerland.

The bride-elect, a niece of Chief Justice W. M. Martin of Regina, is a graduate of the University of Toronto and is presently on the staff of the Canadian Arthritis and Rheumatism Society in Vancouver.

Her fiancé is a graduate of the University of British Columbia in commerce.

The wedding will take place June 19th at 2:30 p.m. in St. Andrew's Presbyterian church, Penticton, with Rev. S. McGladdery officiating.

If you have not used rouge in ages because you fear applying it conspicuously, you should find one of the new liquid rouges surprisingly easy to apply.

"Annie Get Your Gun" be presented at the Penticton High School Auditorium tomorrow night by the Kiwanis Club. Curtain time is 8:30 p.m. A top-flight cast of Broadway stars led by Lynn Torres are producing the show, duplicating original show which ran for three solid years in New York city. All proceeds go to Kiwanis charity work.

Concert Campaign  
Highly Successful

Elaine Hayward, 5, caught the first three fish in the Children's Fishing Derby at Oliver May 16.

Oliver Legion  
Holds Second  
Kids Fish Derby

OLIVER — The second annual Children's Fish Derby arranged by the Oliver Branch of the Canadian Legion got underway Sunday, May 16, at 12:30 with the under six group on the ends of the poles.

The derby is held in the swimming pool at the community park, and this year about 500 fingerlings were turned into the pool and about 40 larger trout were supplied by B. E. C. Walker from his private fish pool. The children are allowed in to fish by age groups, the smaller ones first. As last year, they caught the most fish. About 100 of the fish were caught during the afternoon.

Bill Kreller, Blaine Francis and Eric Shannon were in charge and proceeds go to help defray the cost of running the pool.

ATTENDING TORONTO  
CONGRESS

The Rev. Mr. and Mrs. Samuel McGladdery left on Monday for Toronto in order to attend the pre-assembly congress of the Presbyterian Church in Canada, which is being held there from May 29 until June 2. They will be absent from Penticton for about a fortnight.

## BUDGET ADOPTED

The 1954 budget was adopted in its final and official form, at Tuesday's meeting of the council. Some slight changes were encompassed in the final draft.

"Boots" Tops In B.C.  
Ladies' Kennel Club

SUMMERLAND — Mrs. W. H. B. Munn has just returned from Vancouver and the benched dog show held at the B.C. Ladies' Kennel Club in Burnaby, where one of the dogs from the Munn Ashnola Kennels, a parti-color American cocker, Ashnola Trader, "Boots", practically swept the boards winning many ribbons.

Two hundred and four dogs were entered from as far south as California and "Boots" won the best of breed, best Canadian bred, best of variety, best of winners, going on to capture the rosette for best Canadian bred in the sporting group.

As well as this, Mrs. Munn won a lovely wallet donated by Mrs. Elsie Murray, president of BC Ladies' Kennel Club.

L. J. FILIPPELLI, of Trail, has been nominated for president of the B.C. Junior Chamber of Commerce. Election of officers is scheduled for the three-day provincial convention, to be held in Penticton on Thursday, Friday and Saturday.

Large Attendance At  
Health Unit Meeting

Those attending the meeting of the South Okanagan health unit in Kelowna on Wednesday were: Dr. D. A. Clarke, medical director, Dr. W. G. Hall, dental director, Miss J. Pallister, PHN supervisor, Mrs. M. Wurts, PHN, Kelowna, Miss H. Fyne, PHN, Keremeos, Alderman A. Jackson, chairman, councillor N. E. Sudaby, Mrs. M. McFetridge, Ross, Aotman, government agent, Kelowna, Mrs. L. Balla, T. S. Dalby, Penticton, councillor H. R. J. Richards, Mrs. A. W. Vanderburgh, Summerland, Mrs. L. Ayres, Trepanier, commissioner D. M. Smith, F. Venables, Oliver, commissioner R. Fenwick-Wilson, Osoyoos, Don Pringle, Copper Mountain, Mrs. J. C. Clarke, Keremeos, E. E. Burr, school board secretary-treasurer, Metzler, Princeton, and Mrs. M. Link, Kelowna, recording secretary.

Average custom duty on goods entering Canada was reduced from 10.4 percent in 1937 to 7.5 percent in 1951.

## B.C. Jaycees

(Continued from Page One)

## Saturday night.

With about 350 delegates expected, a monster fun parade will be staged down Main street, which is planned not only as publicity but also as part of the well-coming ceremony by Mayor Oscar Matson as he greets Mayor Don MacKay, of Calgary. Reports say that Mayor MacKay will be made an Indian chief and Mayor Matson will receive a walking stick, symbolic of an Indian chief's right to speak for his tribe.

Syd Hodge, in charge of catering, has been deluged with offers of free food. Port Alberni is flying in 250 fresh crabs, Duncan has offered 1,000 oysters, fruit and vegetables juices are being received daily and B.C. Tree Fruits have undertaken to supply large quantities of backdrops, advertising literature and full color pictures of fruit at the peak of perfection as business session door prizes.

Frank Hartigan, secretary, and Terry Tuck, treasurer, have worked incessantly to see that the immense pile of paper work is looked after and that finances are kept from becoming hopelessly involved.

Honorary life member, James Hendry, will handle bar facilities with the assistance of Miss Joan Nagle, Miss PNE of 1952 and Peach Festival Queen Val-Verette V. She is convention secretary.

J. J. van Winkelaar, another long-time member is handling the important task of accommodation and has long had hotels and auto courts reserved.

Steve Stogre has been responsible for one of the smartest convention badges ever issued to a delegate. Associate member Jack Morris has done yeoman service decorating the Armouries and will handle printing of all business reports. Jack Petley, a former president of local Jaycees, heads the welcoming committee.

President Eric Larsen, while not an active committee member, is acting as unit liaison officer. Bob Leckie, of Kelowna, is in charge of the wake-up committee.

Feeling of the local Jaycees revolves around welcoming visitors to this home of hockey champions, peaches and beaches and to extend a hearty welcome to everyone to come back again.

Penticton firefighters answered one call during the past week. Alarm took them to Kilwinning street in the early hours of this morning to an overheated oil burner. There was no damage.

Net direct and indirect provincial debt averaged \$218.33 per Canadian in March 1953. This was up \$13.37 per capita over 1951.

Canadian tariff duties are among the world's lowest, an average of only 7 1/2 percent of value being collected on all goods entering the country in 1951.

## CLEAN-UP CAMPAIGN

About 40 persons concentrated on a clean-up campaign at Okanagan Falls, last Saturday. Besides cleaning up debris, they erected a flag pole at the

Community Hall, commenced work on a concrete bathhouse at the park and tidied up at the cemetery. Okanagan Falls Board of Trade sparked the campaign.

### CITY OF PENTICTON WANTED Public Works Superintendent

Applications are invited for the position of Public Works Superintendent in the Engineering Department of the City of Penticton. Duties will include the supervision of all construction work carried out by the Board of Works, Domestic Water and Irrigation Departments, and the co-ordination and allocation of equipment. Qualifications required for the position will be extensive experience in construction work and the handling of men. A good education is essential, with some engineering training desirable. The successful applicant will be responsible directly to the City Engineer. Appointment will be subject to a probationary period of 6 months. Salary \$3500.00 per month.

All applications should be submitted in writing to the City Engineer by May 28, 1954, stating age, education, details of past experience and marital status.

Dated the 18th day of May, 1954.

Signed, H. G. ANDREW,  
City Clerk,  
Penticton, B.C.

### SCHOOL NOTICE Register Beginners Now For September Classes

1. Children must be six years old by Oct. 31, 1954.
2. Birth or Baptismal Certificates must be submitted, as proof of age, along with the registration form.
3. Write or phone Jermyn Avenue or Carmi Avenue Schools for information and registration forms. PHONES: 2787 and 3139.
4. Office Hours 9 a.m.-5 p.m.

### Funeral Services Held Today For Harry Denmark

Veteran railwayman and popular CPR conductor here for many years, Harry Denmark passed away in Penticton Hospital, last Friday, at the age of 64 years. He was stricken while on a regular run from Nelson to Penticton.

Born in Peterborough, Ontario, Mr. Denmark started his rail-roading career in that province and after working in many divisions throughout the country came to Penticton 25 years ago. He maintained a lively and active interest in the Brotherhood of Railroad and Trainmen.

Mr. Denmark is survived by his wife Florence, a stepdaughter, Mrs. Harriett Gordon, Prince George, two stepsons, Archie and Tommie Prentiss, Penticton; two sisters, Mrs. M. Caddy, Peterborough, and Mrs. Grace Mangles, Courtenay, B.C.

Funeral services were held this afternoon from St. Saviour's Anglican Church. Rev. A. R. Eagles officiating. Committal Lakeview Cemetery. Roselawn Funeral Home in charge of arrangements.

#### V'S CONGRATULATED

A letter extending congratulations for their victory and appreciation for the publicity gained by Penticton will be sent to the V's by Penticton Ratepayers' Association. This was the unanimous decision of ratepayers at last Thursday's meeting.

**KOREAN BABY CARRIAGE** . . . Two Canadian soldiers from the Black Watch take a peek at a little Korean baby, peacefully asleep on its sister's back. The children are accustomed to being held by their young brothers and sisters around in the approved Korean style early in life. The two soldiers donating cookies to the cause, are Ptes. Duke Rogers, 274 Sherbourne St., and Ernie McConnell, 557 Durie St., both from Toronto. —National Defence Photo.

### Archaeologist Talks To Canadian Club Here

A chain of lakes and rivers in British Columbia's Nechako Valley, gone forever under 160 feet of water, formed the nucleus of an address by Professor C. E. Borden, archaeologist at the University of British Columbia, when he addressed members of the Penticton Canadian Club, last Friday night.

"Aluminum and Archaeology" was his topic as he told of two expeditions into the valley, now flooded as part of the Aluminum Company of Canada's power development project.

Dr. Borden revealed that, for the first time, exact age of an Indian home excavated by the party has been determined. It was built 2,415 years ago.

"Very little is known of the pre-history of Canada," Dr. Borden said, "and we have been very remiss in this regard."

He went on to explain that only two Canadian universities, that at Toronto and UBC, carry on research.

"Few people realize that ancestors of people on the entire north and south American continents crossed Bering Straits some 20,000 to 25,000 years ago. They roamed the Canadian tundra and found their way south along the valleys. Some came by way of the coast after ocean going craft had been perfected for travel of this rather rough group," he continued.

In 1950, when archaeologists heard that the Aluminum Company of Canada was going to build a dam in the Nechako Valley and flood 300 square miles of unexplored territory, they were concerned.

"The possibility existed that a very important part of our pre-history would be inundated and lost forever," Dr. Borden said, "we were allowed a small grant in 1951 to go in and explore the region."

A small party went into the Twinedale Park area where they obtained a fiber glass craft and surveyed 400 miles of lake and river margin.

"We discovered 130 ancient Indian sites, many were camp sites but there were also permanent occupation sites," Dr. Borden explained.

Returning to Vancouver, another grant was received and a party of 15 American and Canadian advanced students and professors was formed.

"Our problems were great," said Professor Borden, "and I appreciated logistics a general focus as he plans a campaign. We were to be isolated and had to prepare for any eventuality."

In June, 1952, the party moved into the field, a chain of lakes and rivers that would make a single lake 150 miles long. Most important sites were found on the eastern slopes where there was more protection against the rigors of weather.

At this point in his address, Dr. Borden showed slides of the expedition with accompanying explanatory remarks. Material was screened so that nothing was left to chance.

"Careful records are kept," he said, "of what comes first, second and last, because we wanted to write history and an important part of writing history is to

have the proper sequence."

Views never to be seen again were shown and explained by Dr. Borden in the mighty watershed that is now one huge lake. And from it came evidence of life thousands of years ago, backed up by pictures of their findings.

An important discovery was the fact that interior Indians carried on trade and commerce with coastal Indians long before the white man ever set foot on the soil.

"Early implements manufactured perhaps 100,000 years ago and carried across Bering Strait were found in British Columbia for the first time by our expedition," Dr. Borden revealed.

"Summing up," he declared, "it is our duty that we, as citizens of this province, make certain that adequate samples of our pre-history are retained. They belong not only to us, they belong to the world."

And he concluded by stating that information as to historical relics and finds are always appreciated by the Department of Archaeology, University of British Columbia.

Customs figures show that from New Brunswick, during the 1953 hunting season, Americans took home 3,500 deer.

Three out of every five of Canada's hotels are located in Quebec or Ontario.

### Dancing Examination Results Announced

The Royal Academy of Dancing has announced the results of examinations conducted recently in this area. Local students who were successful were Marcia Rowland, who was commended in her elementary major examination; and Diane Allington, who received honors, and Bernice Anderson, who passed in the children's Grade V examinations. These pupils appear in Kelowna before Miss Nellie Potts, who came out from England to conduct the tests. Donna Day Washington, also of Penticton, was awarded honors in her Grade V examination which she took at an earlier date in Vancouver before Miss Potts.

One reason for discrepancies in Canadian and United States prices is that Canada has a 10 percent general sales tax and the United States has not.

### NOTICE TO CONTRACTORS

Sealed Bids will be received by Glenmore Irrigation District for furnishing labor and materials for earthwork and structures for South Lake Dam.

Principal items are: Earth fill — 9,000 cu. yds.; Concrete—60 cu. yds.; Culvert—125 feet, 18" I.D. Concrete Pipe, Outlet Gates—one, 18"x18", one, 12"x12".

Drawings and specifications are available from the Secretary, Glenmore Irrigation District, R.R. No. 1, Kelowna. A refundable deposit of \$10.00 is required.

Closing date for bids is June 10, 1954.

R. J. RITCHIE,  
Secretary.

### NOTICE

The Government will not pay your bill unless on admission to hospital you bring with you proof that you are a legal resident of British Columbia.

**YOU ARE A LEGAL RESIDENT IF YOUR HOME WAS IN BRITISH COLUMBIA ON OR BEFORE 31st MARCH, 1954.**

The following are useful as proof of residence:—Municipal tax receipts, telephone and electric receipts, listing in telephone book, driver's licence, credit cards, membership cards, certificate signed by your employer or clergyman.

## Question Box

A Public Education Service of  
THE HEALTH LEAGUE OF CANADA  
111 Avenue Road, Toronto 5;  
In co-operation with this newspaper.

All questions submitted are answered anonymously by members of the medical advisory board or special technical sections of the HEALTH LEAGUE.

Not too many generations ago a full-fledged physician was mainly expected to be dexterous with tools.

When a patient's trouble was something that couldn't be saved or sewed or sliced or pried loose, the old sawbones was obliged to resort to a closet of pills, elixirs and powders that were rather dubiously guaranteed not to do any harm.

Not much was said about nerves in those days. It was a dangerous subject. People who insisted that nerves might have something to do with whatever was bothering them were likely to find themselves wearing funny hats and chains in the village square, surrounded by howling little boys with mudballs.

Nowadays it is almost impossible to conceive of a physician in any field of medicine who is not well-grounded in psychiatry. The borderline between psychiatry and physiology is a very delicate one and in places a non-existent one.

Question — "Can small children have nervous stomachs? My oldest daughter, age 10, goes at a pace that would kill a high pressure executive. Straight at school, creative work at home such as art, chemistry, plays, etc., plus taking care of her little brothers and sisters and the neighbor kids, cooking meals, etc. We try to discourage this, but she insists on doing everything and doing it better than anybody. Half a year ago she began complaining of stomach pains. A doctor decided she should have her appendix removed and did so, but the pains recur at mealtimes and don't go away until the other kids are in bed, when suddenly she is willing to eat. My own stomach acts that way when I am under pressure and the only thing I can think of is to tell her to slow down and occasionally let things

slide. Our local G. P. is baffled. Answer — Such a child is a very common type. Often the first-born are more highly strung, are more creative and aggressive and thrive, themselves "for all they are worth". I do not think there is actually anything wrong with the stomach to call it a nervous stomach. The whole child is very high strung and this reflects itself on every part of the anatomy. Stomach pains may be due to a nervous spasm which is part, as I have said, of her general high strung make up, or at times they may be due to some dietary indiscretion.

Question — "People are saying now that if you are nervous or upset when you are expectant it will make your baby high-strung. That's just the opposite of what they used to say. What is the truth?"

Answer — Simple nervous upsets have no effect on the future of the baby of an expectant mother. However, if the mother is a chronically nervous person the outlook is not so good. She may have a hypertonic baby; one who vomits a lot, is hard to find suitable feeding for, and cries a great deal. These babies fortunately can be taken care of readily by a prescription from the doctor of medicine. It is given the baby before each feeding. It must be given over a long period however, at least six months and often for a year.

Fine paper production of Canada — some 200,000 tons annually — has a value of some \$60,000,000. Coated paper value is \$7,000,000.

Families in Halifax, Montreal, Toronto, Winnipeg, and Vancouver spent \$6.78 per person per week on food in the first half of 1953.

SECTION OF A CEMENT PLANT, manufactured in Canada under Canadian Overseas Projects Limited, a unique company formed by five manufacturers, is hoisted aboard the British freighter "City of Shrewsbury" in Montreal. The plant is clearly marked in Urdu, the most widely used language in Pakistan, where the project is bound. The parts recently shipped will form the main section of the cement kiln when assembled in the wilds of the Thal area of the Punjab, in northern Pakistan.

## VALLEY LIFE UNDERWRITERS HOLD REGIONAL EDUCATION CONFAB

More than 40 Life Underwriters from the Okanagan Valley and Kootenay district, gathered May 15 at the SS. Sicamous, Penticton, for an all-day educational conference. The meeting was sponsored by the Life Underwriters Association of South Okanagan, and the Life Underwriters Association of Canada.

Highly-rated life insurance men from the U.S. and Canada spoke on the newest techniques of life insurance marketing and public service. Much emphasis was laid on the fact that the public, generally, are not conscious of the tremendous benefits offered by adequate life insurance protection against premature death, old age, and sickness. Life insurance as a gift-edged "investment-savings-protection" program is little known to the average citizen, and at this conference, life underwriters listened to lectures on ways and means to better inform the public and to render better, more complete insurance service.

The Life Underwriters association of South Okanagan is one of 68 similar Canadian associations representing over 6,700 Life Insurance Underwriters. A. E. Mathers, president of the local association, said that the aims of the organization are to promote good business ethics and to help give its members the knowledge necessary to offer professional insurance counsel through educational meetings such as the one held Saturday. University extension courses, and various publications available to them.

### Resident Of B.C. Since 1889 Dies

Resident of British Columbia since 1889, former cattle rancher and one-time driver of a freight wagon from Penticton to Midway, Bayard, Wellesley Bubar, passed away suddenly in Penticton Hospital May 14.

Born in New Brunswick in 1873, he came west to Golden, B.C. in 1889 and to this district in 1891. He had resided in Penticton for the past seven years.

In the earlier days he drove a freight wagon from Penticton to Midway and was a cattle rancher at Beaverdell from 1913 until his retirement in 1946.

The late Mr. Bubar is survived by three daughters, Mrs. Emilie Lautard, Jellico, B.C., Mrs. Duncan Clapperton, Beaverdell and Mrs. Frank Richter, Penticton, a sister, Mrs. A. C. Hamilton, Golden, eight grandchildren. His wife pre-deceased him in April, 1953.

Funeral services were held from Penticton Funeral Chapel, May 17, with George Seney officiating. Interment at the family plot, Lakeview Cemetery.

Active pallbearers were Charles Bubar, George Bubar, Stanley Bubar, E. Lautard, D. Clapperton and F. Richter. Honorary pallbearers were Edward Richter and Edward Lautard.

### Cow Not Around When Police Arrive

Heavy damage resulted when a car left the road at the bottom of Krug's Hill, Monday night, and turned over but the two passengers, Joseph Lesko, Copper Mountain and Frank Hock, Kelowna, escaped unhurt.

Lesko was fined \$100 in police court, Tuesday morning, when he pleaded guilty to a charge of driving while impaired. He claimed he lost control of the vehicle when attempting to dodge a cow. Police said there wasn't a cow in sight when they arrived at the scene of the accident.

## Band Concert Here June 27

Internationally famous Vancouver Junior Band will present a concert at Gyro Park bandshell Sunday, June 27, under the sponsorship of the Penticton Aquatic Club.

The 44 members are on a tour of five Canadian provinces and 12 American states, over a period of two months.

This musical organization is one of western Canada's finest youth concert bands comprised of young people from 10 to 17 years. The band has been awarded top honors and first place awards in contests and exhibitions in British Columbia and Washington. Bandmaster is Gordon C. Olson.

In only the last three years the band has covered over 25,000 miles of B.C., Washington, Oregon, California, Nevada, Arizona, Utah, Idaho and New Mexico.

The group will arrive in Penticton June 26, play the concert June 27 and leave for Kelowna June 28.

Nine-tenths of the Canadian forests are owned by the people.

# "OPERATION ALUMINUM"

**BRITISH COLUMBIA 1954**

The vast Kitimat hydroelectric and aluminum smelter project will be turning out aluminum by mid-summer this year. Completion of Kenney Dam in October, 1952, was the first major milestone. In December, 1953, the ten-mile, 25-foot diameter water tunnel was "holed through" Mount DuBose in the world-record time of 21 months. Three 140,000 H.P. generators are now in position in the Kemano underground powerhouse, and power will soon pass along the 50-mile transmission line to Kitimat.

At Kitimat, in former wilderness, potlines for the first phase of production have been installed. Aluminum at the rate of 91,500 tons a year is scheduled to flow from Kitimat this year, thus increasing Alcan's ingot capacity to over one and a quarter billion pounds annually.

**QUEBEC 1953**

In Quebec, Alcan completed two new powerhouses and augmented its aluminum smelting facilities during 1953.

The new generating stations at Chute du Diable and Chute a la Savane on the Peribonka River — one of the principal tributaries of Lake St. John — have a combined generating capacity of 540,000 H.P. The total installed generating capacity of Alcan's power plants in Quebec has thereby been increased to 2,580,000 H.P.

The rated annual capacity of the added aluminum smelting facilities at Isle Maligne is 171,500 tons a year. By the end of 1953 ingot capacity in Alcan's four Quebec smelters — at Shawinigan Falls, Arvida, Isle Maligne and Beauharnois — totalled over one billion pounds a year, or about a quarter of world capacity.

Alcan embarked in 1951 on an expansion programme to meet the increased demand for aluminum. This programme, divided into two principal parts, is completed in Quebec and nearing conclusion in British Columbia.

In the fifty-four years since the first Canadian aluminum plant opened at Shawinigan Falls, Canada's aluminum industry has grown to be the second largest in the world, and Canada now exports more aluminum than any other country.

Still the need grows, both at home and abroad, for this light, strong, modern metal of many uses. And Aluminum Company of Canada is putting man-power, and money, and

engineering brains, and imagination into the job of keeping up with that demand.

Aluminum is "packaged power". The electricity needed to produce one ton of aluminum would light the average home for nearly a generation. By making use of Canada's abundant, low-cost power, this Canadian enterprise has created employment and income for tens of thousands; for the men who build and operate the dams and powerhouses, the docks and smelters and power lines it needs; and for the more than one thousand independent Canadian companies who turn aluminum into countless forms important to industry and our own daily living.

## History of Allan Cup

Editor note — Now the coveted Allan Cup is safely stored in the trophy hall of the Penticton V.A. Pentictonites will no doubt wish to know the colorful history behind the battered old mug. To put you "in the know" on the ancestry of Canada's highest amateur hockey award, we have reprinted the following highlights of its distinguished history.

The Allan Cup was donated by Sir H. Montagu Allan, CVO, shortly after the Stanley Cup became the championship trophy of the professional hockey clubs. While the Stanley Cup was an amateur trophy, the proceeds from C.H.A. games went to the competing teams, but this led to abuses of the principles of amateurism, owing to clubs gathering star players from all parts of the country, regardless of cost, knowing that if they got into a Stanley Cup series their share of the receipts would take care of the extra expenses in building up a championship team.

### CHALLENGE TROPHY

Upon the organization of the professional league, the senior players who did not turn pro, retired from the game, which reduced senior amateur hockey to practically an intermediate basis, which, of course, greatly discouraged those interested in the amateur game, and it was at this stage that Sir Montagu was prevailed upon to offer a trophy for the encouragement of the amateurs, and to safeguard it with such rules and regulations as to prevent it from ever becoming a menace to the sport. It was decided to make the Cup a challenge trophy open to any senior club having won the championship of its league that year. The surplus proceeds after paying the legitimate expenses of the competing teams to be given to charity.

The Cup was presented to the Victoria Hockey Club of Montreal, and to be defended by the champions of their league that year. The Cliffhangers of Ottawa was the first club to defend the Cup as champions of the league in which the Cup was held. The Queen's University team of Kingston were the first challengers and were successful in winning the first series of matches for its possession.

From this time on interest in the Allan Cup became greater each year until the challenges became so numerous that it was impossible for any team holding the Cup to defend it against all those clubs sending in challenges. The trustees then arranged elimination games between teams from the same territory and also between teams of times the holders could be called upon to defend the Cup in one season to three. Even this did not entirely eliminate the difficulties that the trustees had to contend with, and it was quite evident that some other method would have to be adopted in order to give satisfaction.

In 1914, Mr. Claude Robinson, who had for some time been acting as Western representative for the trustees, suggested that a governing body be formed. This idea was looked upon with favor by the trustees, and Mr. Robinson was asked to communicate with the various leagues and associations and arrange for a meeting of representatives to discuss the project.

This meeting took place in Ottawa at the close of the annual meeting of the A.A.U. of C in December, 1914, when Mr. Robinson outlined his plan, which met with the unanimous support of those present, and the Canadian Amateur Hockey Association was formed with branches in the provinces of Ontario, Quebec, Manitoba, Saskatchewan, Alberta and British Columbia. Dr. W. F. Taylor, of Winnipeg, was its first president.

### CUP EMBLEMATIC

The "Allan Cup" was accepted as the trophy emblematic of the senior amateur hockey championship of Canada, under the rules and regulations as enacted by the trustees of the C.A.H.A. and in accordance with the Deed of Trust. The trustees continued to disburse a portion of the surplus funds to charity, but retained an amount each year for the purpose of building up a reserve fund to guard against the possibility of the receipts in some years being insufficient to meet the expenses of the competing teams.

During the period of the war it was difficult to get representatives to attend meetings of the association, owing to the heavy cost of sending delegates, and in order to prevent representation by proxy it was agreed between the trustees from each branch, be paid out of the Cup funds, and that sufficient money be provided by the trustees to permit of the proper functioning of the association as a government body.

In 1920 the trustees financed the cost of sending a Canadian team to compete in the Olympic games at Antwerp, and again in 1924 the sum of five thousand dollars was given to the Canadian Olympic Committee towards expenses of the team that represented Canada at Chamonix.

The Canadian Amateur Hockey Association has fully justified its existence by becoming one of the largest governing bodies of amateur sport in Canada, and Mr. Claude Robinson, of Winnipeg, is entitled to be known as its founder.

In 1928 the Allan Cup was donated outright to the Canadian Amateur Hockey Association, the former organization taking place at the annual meeting at the Chateau Laurier in Ottawa in March, when a Board of Trustees, consisting of C.A.H.A. members, was appointed for one year, the personnel being S. P. Quilty, Ottawa; Ontario; A. B. King, Okotoks, Alberta; and A. E. Guroy, Fort St. John, British Columbia. A vote of thanks was tendered Sir Montagu Allan for his generosity.

and to Mr. Wm. Northey, of Montreal, and his co-workers on the Trustee Board on their retirement after many years of splendid service in the interest of amateur hockey.

In 1929 at the annual C.A.H.A. meeting held in Winnipeg in March, the C.A.H.A. president, vice president and Mr. C. Robinson, of Winnipeg, were appointed a Board of Trustees, with W. A. Hewitt as treasurer.

In 1937 at the annual meeting of the C.A.H.A. held in Toronto, it was decided that the past president, president and vice-president, second vice-president and registrar-treasurer of the C.A.H.A. should be the Allan Cup trustees and constitute the finance committee.

## Naramata Locals

NARAMATA — In spite of the rain on Monday morning crowning of the May Queen and contingent festivities were carried out according to schedule.

Major J. V. H. Wilson, M.C. of Paradise Ranch made an appropriate speech, and Betty McLaren, the new queen, thanked all present for the honor conferred upon her and gave pledges for the year's May Queen, Joyce Stanforth. Her princesses are Judy Littlejohn and Gillian Darters.

Two groups danced around the Maypole, and little girls in costume entertained with folk dancing. As well there were school songs, a hoop drill, and a boys' drill with 12 decorated bicycles. The teachers, Grant Willan, principal, and Mrs. Yerna Kennedy and Miss Rolston, were given great credit for the excellence of the performances, at which Mrs. Percy Hancock, accompanied on the piano.

In the afternoon 25 races were run off quickly, and special races consisted of three-legged shoe, wheelbarrow, peanut on spoon, sack, rolling tires, and a slow bicycle race. George Bailey received the most points among the boys, and girls tallying the highest scores were Joyce Stanforth, Patsy Darters, and the MacFarlane twins.

A tug-of-war between an equal number of boys and girls resulted in a tie. The football game between the boys and men, although the boys were much smaller, kept the men on their toes.

At the dance in the evening, Philip Swift, Penticton, won the raffle prize, for which was a watch, Dudley Taylor, Naramata, made arrangements for this event.

During the day Donald Salt, president of Naramata board of trade, was master of ceremony.

ies, with Rev. A. C. Pound and Percy Hancock assisting, and in charge of sports, Wesley Cairns, Duff manager, the P.A. system, and Marlin Johnston, the refreshments.

Visitors at the home of Mr. and Mrs. Grant Willan, over the holiday were the former's brother-in-law and sister, Mr. and Mrs. Robert Mitchell, of West Point Grey.

Mr. and Mrs. Jack Robinson and the latter's sister, Miss Mabel McCargar, of Vancouver, spent the long weekend, guests of Rev. and Mrs. R. A. McLaren.

Mr. and Mrs. Robert Carson, their son, Bobbie, and J. Charlton, of Rutland were visitors at the home of Mr. and Mrs. J. H. Jones for the weekend.

Mr. and Mrs. J. M. Shaw and their daughters, Patsy and Carole, have returned to their home in Airdrie, Alta. They have been taking a month's holiday in Naramata, where Mr. Shaw, a building contractor, worked during his vacation in the interests of the Leadership Training School.

NARAMATA BABY CLINIC — The regular monthly baby clinic will be held Tuesday, June 1 from 2:30 to 3:30 in the Naramata school.

## Sports - Pourri

BY SID GODBER

Seems to me that here in Penticton we've got a tiger by the tail. Winning the Allan Cup the way the Penticton V's won it has focussed the eyes of the hockey world upon Penticton and the champion V's.

The hockey world will be watching the V's from the drop of the first puck next season and, in consequence, Penticton can't afford to rest on its laurels.

Most Allan Cup teams seem to disintegrate after winning the big mug, but at this writing it appears that most, if not all, of the team which wrote hockey history to win the 1954 championship, will be on deck for the opening of the new season — and look at the calendar — that new season is only four months away.

Think it over — the team which won the Allan Cup championship will take to the ice next fall — but the team which did it was only 15 strong so — take the Allan Cup champions and add two, possibly three judiciously chosen reinforcements — and who's to say that the V's can't repeat?

True, it isn't done very often — only three teams have won the Allan Cup twice running and certainly no team has been up there in the final three seasons running — but then no team has ever had to win three straight games in three successive playoffs series to win the Allan Cup — but the V's had to do it and the big silver mug sitting up in the Commodore Cafe is testimony that they did.

Some people may think I'm talking out of my hat but the hockey club executive must be thinking along those lines, either consciously or unconsciously. Advertisements of the hockey meeting for June 2, gives notice of an amendment to the constitution. Constitution, as is, calls for the annual meeting to be held in May, but for two seasons running the V's have acted stubborn about hanging up their skates and to do it and the big silver mug sitting up in the Commodore Cafe is testimony that they did.

So, the executive — I imagine the legal mind of H. W. McInnes, Q.C., vice-president, had a lot to do with it — decided to amend the constitution calling for the annual meeting in June so the V's can keep up this habit of extending the playing season into May.

I don't suppose the fans give two hoots when they hold the annual meeting, regardless of the constitution, provided the delay is caused by the V's winning ways, but lawyer fellows like things to be ship-shape.

Incidentally, back there during the thick of the battle, when 15 men dwindled to as low as 11 effectives through injuries, I heard a lot of criticism of the executive for not having more players. I don't think that criticism was justified. It was bad luck more than bad management which resulted in the V's being so shorthanded. Jim Bedard, the big New Westminster Royals' defenceman, would have made things a lot easier for those fifty minute men George McAvoy and Kev Conway, and Bedard was, in fact, signed on the dotted line, but the other W.I.L. pro clubs move in and blocked the transfer. Andy Defelice was given a fair enough offer, accepted it, then decided it wasn't good enough and departed in a hurry, as for anyone else, just think back to the efforts of other clubs, particularly the Kelowna Packers to dig up worthwhile hockey ivory — it just wasn't around and there was no use the V's spending good money on passengers.

The executive did what it could — further it was following the policy of the V's since inception to make the gate pay the club's way and, so far, they've managed to do just that.

And, believe it or not, the V's weekly salary bill was less than that paid out by two other clubs in the Okanagan loop and comparable with the lowest. Naturally the bill will look a lot higher in the aggregate, but don't forget the V's have played anything from six weeks to two months more hockey than the other clubs in the league, so don't let the lump sums fool you — last year it was often said up the valley that it cost the V's \$90,000 to operate — that was true, but that season the V's went to the Allan Cup finals and six weeks and more of hockey accounts for the difference in the budgets.

In fact, about all the V's executive can be accused of is trying to sail a little too close to the wind. But it should be different next season. The name of Penticton is known from coast to coast. The V's have won the admiration of millions — we can't let those millions down by coasting on laurels now. No matter what happens come the playoffs the V's have got to go in geared for another Allan Cup. In other words, the executive will have to spend a little more freely. One thing is certain, Vernon, Kamloops and Kelowna are not going to sit on their thumbs and let the V's do the honors for the league again next season — not without a fight and what a fight it's going to be.

That hockey meeting next Tuesday is an important one — be sure and be there. What I know the players would like to see is the 1953-54 executive returned to office — same president and so on down the line. The executive did a good job — it has the confidence of the players who, by and large, will make up next season's team — doesn't seem to be any point in rocking the boat at this stage of the game.

Letters are still coming in to The Herald asking for the hockey extra. There have been letters from every province and I wouldn't be surprised to get one from the North Pole. Most of the letter writers after asking for the paper (ten cents enclosed) add the words of praise for the Penticton V's. Seems we've got to recognize the V's as something of a national institution. Now the V's are known by name, soon they'll be known by sight when about 100,000 calendars, adorned with a photo of the team, are distributed.

## Vancouver Man Sweeps Commerk Golf

## Night Baseball Saturday Vernon Here On Sunday

Saturday night, attendants will throw the switch at King's Park for the first night game of the season as the Penticton Athletics play host to the Haney ball club. Sunday the local nine will tangle with Vernon for the first time this year on the A's home diamond.

That is the baseball fare lined up for this weekend as the Penticton crew get back into action after a layoff of over a week. The night fixture with the Fraser Valley club is expected to be top-notch diamond entertainment for they are reported to have a strong club — and a win here Saturday would make them look pretty good when they meet Kelowna the following afternoon for their second interior tilt. Game time is set for eight o'clock.

Sunday afternoon it's Vernon here for another bite out of the OMBL schedule. The A's were to have played Vernon in the opening week of the league, April 18, but it was postponed because of hockey.

Sam Drossos, coach of the A's is optimistic about a win over the northern team, a slight upset. "I haven't seen Vernon play this year," said Sambo, "but our club is moving into top shape and we'll show them plenty of smart ball."

"I'm starting Ted Bowsfield on the mound Sunday and if he is in his usual form, I think we will take a win off Vernon in our first time out against them."

Drossos is looking forward to the night game Saturday to polish up his crew after the long layoff. The A's were to have played an exhibition game at Oliver, Monday, but the weatherman turned thumbs down on that engagement to make a week-long break between games.

Commenting on the expected power of Vernon, Sam remarked, "At least we won't have Tony Brummet and Graff to contend with on Sunday which gives us an advantage." Brummet won the batting championship of the OMBL last year with Vernon but this valuable catcher and slugger is now on the roster of the Kelowna Orioles. Graff, star first baseman and a solid man at the plate also left the Vernon camp for Kelowna.

Frank Miggins, president of the Little League, reported to Kiwanians at the Tuesday noon luncheon that work parties will be held at the Queen's Park site every night this week to hasten the construction of bleachers and fences. All help that can be rounded up is being used to good advantage as opening date of league draws near.

## Rain Fails To Dull Gala May 24 Parade And Rodeo At Keremeos

KEREMEOS—In spite of a last minute drenching rain the annual twenty-fourth of May parade sponsored by the BPO Elks Lodge 56, was a great success with many visitors from outside points, both north and south of the border in attendance. A splendid parade in the morning was led by riders carrying the Union Jack and the Stars and Stripes, talented young drum majorettes and the high school band.

Honors for the overall prizes for the outstanding float went to the Silver Bell Cafe with the Catholic Young People's entry winning honorable mention.

The crowning of charming May Queen-elect Shirley, attended by her princesses, Shirley and Margaret, by retiring Queen Helen, took place before a large crowd of enthusiastic onlookers.

Although the attendance at the rodeo was not as large as it undoubtedly would have been had the weather not proved so disappointing, there was a satisfactory crowd and the performance of the contestants was of high calibre and much enjoyed. A boxing match and a well-attended dance rounded out a successful day's enjoyment. The following are the prize winners:

Cowboy Costume Awards  
Best dressed cowboy (senior), Bill Copeland; best dressed cowgirl (senior), Faylo Fox; best dressed cowboy (junior), Michael Laughlin; best dressed cowgirl (junior), Nita Zuker.  
Parade Float Awards  
School Floats—First, Keremeos Elementary School; Come Floats—First, K.C.C. Cartage; second, B-Line Taxi; Commercial Floats—First, Silver Bell Cafe; second, Sunset Service; Organization Floats (Senior)—First, Ladies' Auxiliary to Canadian Legion No. 192; second, Stemwind or Dance Club; Organization Floats—First, C.Y.O.; second, Future Farmers of Canada; Decorated Cars—First, O.O.R.P., Lodge No. 83; second, Frozen Food Lockers; special award — Silver Bell Cafe; honorable mention, C.Y.O.

## E. Lovett Cards Low Medalist In Martin Cup Round

Latest development in the world of ladies golf locally is the report that Eileen Lovett carded a net 74 last Thursday to become low medalist for qualifying round of the Martin Cup.

The draw for the Captain's prize event, slated for Thursday is as follows:  
M. Arsen-P. Betts, M. Joplin, H. Brodie, Z. Latimer-E. Johnston, E. Southworth, E. Cooper, E. Lovett-F. Latimer, J. Marlow, E. Carse, N. Dalnes-R. Carson, M. Johnson-M. Thom; E. Good-fellow-S. Fleming, B. Jamelson-G. Mather.

## W. T. "Jock" Cameron, of Vernon, will be judge and John Acland, Kelowna, is the announcer.

On Sunday, June 6, local riders will travel to Kelowna for that riding club's annual field day, to be held at Gulsachan Ranch. It is a full day program and five or six horses from here will participate. Captain A. M. Temple, of Summerland, assisted by Mrs. E. A. Rendall of Vernon, will be the judges; L. G. Wilson, Kelowna, will announce.

The next feature event of the season will be the Penticton Riding Club's annual gymkhana, slated for the arena, Queen's Park, July 1. This is one of the most popular of the valley events and entrants from all clubs are expected. Part of the big show will be an exhibition of precision riding by Kelowna Junior Drill Team and it is reported to be of particular interest as all the riders are under 16 years of age. Major G. D. Cameron, Kelowna, is their instructor. D. W. Pat Samuel, Vancouver, will judge and John Acland, Kelowna, is the announcer.

George Cady is in Penticton hospital for observation. George, manager of the V's hockey club, says there are a couple of old puckers inside him that must be removed.

## 25th Annual Travellers Tourney Gives Over \$300 To Polio Fund

The quarter century tournament of the commercial travelers annual golf tournament will be recalled as one of the finest, said Bob Foulis, of Quilchena, president of the provincial group, as the three day commercial classic concluded here Monday afternoon. About 100 travelers from scattered points in B.C. took part in the twenty-fifth annual playing and many were accompanied by their wives to make it a real holiday weekend.

Bruce Howard, well known Vancouver golfer, carried off the impressive Harwood trophy by defeating a strong contender from Winnipeg, Jack Scott. Howard defeated Scott, a two handicapper, six and five.

Top honors for low medalist went to Mr. Scott who breezed around the Penticton course in even par. Mr. Howard was right on his heels with a one over par for the round. Low gross for the commercial travelers was carded by Bob Foulis and runner up was another visitor, Bob Asseltine.

While the travelers, their wives and friends enjoyed a weekend of golf under near perfect conditions, at the same time they also contributed to the battle against polio. At the closing ceremonies Mr. Foulis presented Len Kenna, president of the Penticton Kinsmen Club, with a cheque for \$305, the proceeds of the tournament, to assist their fight against polio.

In a statement to the Herald, Mr. Kenna said the Kinsmen club appreciated the recognition of the part they are playing in the struggle against polio and remarked that the money would be used where needed most, anywhere in the province.

Hugh Lynch, the man who had a big hand in hosting the travelers here this year, received an armful of compliments from visiting golfers on the fine accommodation, of the course and the natural beauty of Penticton. "For a number of the people," said Hugh, "it was the first time they had been in the city — they were well impressed."

Other members of the local committee were George Arsen, Art Marlow and Bob Patterson. A light rain about midday failed to slow up competitions and the last flights were in by around three o'clock in the afternoon.

There was never a more abundant loot table. The majority of golfers were on hand as the cups and trophies were handed out along with the individuals prizes. "The merchants and business firms were most generous," said Mr. Lynch, "I don't think anybody went away without a prize." True enough, the small warehouse stacked neatly under the canopy of the clubhouse melted away quickly as players received "something to take home" for every accomplishment in the book outside of a hole in one.

Mayor Oscar Matson was on hand to officially welcome the visitors on behalf of the city, did a little promoting for Penticton and found a ready audience for his subtle wit.

Other major prize winners are as follows:  
Commercial traveler going farthest in the tournament was Al Dean, of Vancouver; first flight winner, Jim Paton, Vancouver; first flight runner-up, Al Argue, Kamloops; second flight winner, Chuck Bleasdale; runner-up, Ernie Emmett, Vancouver. Third flight winner was Russ Jordan, of Penticton; runner-up was Charlie Neilson.

Penticton's Bill Carse bolted out the longest drive to earn his trip to the prize table and second best in this popular event was Penticton club champion, Art Marlow. The pitch and putt was won by Frank Brodie, Penticton, and Rubie Nesbitt was runner-up.

In the ladies' competition, Evelyn Johnson carded the low gross and Phyllis Pattison took the low net for the day.

Penticton golfers were well represented in the event. There is a report that the tournament will be held in Kelowna next year.

## V's Hockey Club Annual Meeting Next Wednesday

Next Wednesday night the V's hockey club will wind up the affairs of the past season and lay plans for the new year coming up in a scant three and a half months or thereabouts.

The annual meeting of the Penticton Hockey Club will be held in the Glangery Room of the Hotel Prince Charles, beginning at eight o'clock.

First on the agenda is the election of officers for the ensuing year. A body of ten men guide the club. Another important feature of the meeting will be the presentation of the balance sheet for the 1953-54 season.

Club members in good standing are entitled to attend and vote. Memberships may be obtained in the lobby of the hotel prior to the meeting.

## Lawn Bowlers Get Season Away To Auspicious Start

The lawn bowlers dodged the weatherman and got their season away to an auspicious start on Monday afternoon with about 75 in attendance for the official opening of the season at the Penticton Lawn Bowling Club.

Club president Bill Harris addressed a few words of welcome and vice-president Bert Swift handed over the first bowl to Mrs. Harris and she also delivered the first bowl as is the custom.

As has been the practice, the competition was president versus vice-president with a number of visiting bowlers from the valley and Vancouver taking part. Vice-presidents gave the opposition a good trimming.

Eight ends were bowled, followed by refreshments in the clubhouse at four o'clock and a number of the members went back to the green for another eight. Rain did not interfere with the opening day at all and it was comfortable on the green without wearing jackets.

Another tribute to the Penticton lawn bowling facilities was paid by C. Reynolds, Kamloops. He is a noteworthy player who has competed on a good number of the greens in this province and in his unsolicited opinion, "Penticton is the finest green I have ever played on."

Workmen have begun cleaning up the Okanagan Lake beach accumulation of the past winter and debris of the spring runoff.

## Skaha Lake Net Club Re-Elects Cardinall Prexy

E. C. R. Ted Cardinall was re-elected president of the Skaha Lake Tennis and Country Club, at the annual meeting of the group held last Wednesday. Vice-president is Andy Bennie and Edgar Dewdney is secretary-treasurer.

The meeting elected the following directors for the 1954 season: Wally Morgan, Norman Robinson, Brian Mills, John Ruck, Ron Rutherglen, Mrs. E. C. R. Cardinall, Mrs. Wally Morgan, Miss Grace D'Aoust and Miss Mickey Bell.

The financial statement showed another successful year in that regard, however, the club is anxious to extend their facilities to one more court. Two hard-surface courts are now in use. With a membership of about 40 now, the Skaha Lake club feel the need of the third court during the peak of the season as due to the required expenditure of close to \$1,500, it will be not undertaken this year.

In the past years the club was open only three nights each week but will be open every evening during this season.

## Boaters Become Beachcombers On Sunday At Basin

Members of the Penticton Yacht Club will become beachcombers for a day next Sunday. They will gather at ten o'clock along the shoreline of the boat-basin, armed with shovels and rakes for a much needed clean-up of the site.

At the last general meeting of the club, a committee was named to approach the government officials for some action on improving the mooring facilities at the breakwater. The fact finding group is scheduled to make a full report at the June 2 meeting.

Art Powell, first president of the club, resigned his office as he will be leaving the district shortly. Russ Upsdell was elected to succeed Mr. Powell.

The pleasure part of boating has not begun for most owners as they employ their leisure hours preparing their craft for another season but all boats are expected to be in the water again shortly.

## A's To Book Tilts In Fraser Valley

The Athletics baseball club plan to book at least a couple of games in the Fraser Valley during the ball season. Before many weeks pass they hope to arrange a return game with Haney, of the Dewdney league.

The coast trip will be arranged over a weekend and booked so two games can be played. It is expected that the host clubs will pay expenses of the team on a reciprocal guarantee basis.

## LET'S GO FISHING!

with DES HADDLETON

There should have been lots of fishing news over the long weekend but so far no one has volunteered information. The info I did manage to get is the result of hard digging and arm twisting.

Okanagan Lake is still good fishing, some areas giving better results than others. From this end George Drossos landed a trout weighing five pounds, eight ounces.

I also understand that boats will be available from the old Powell Boat Rental shortly.

Archie Fead, friend Bill and myself went into Bear Lake (Kelowna) on Monday. The fishing in between the scattered showers was not too good. We spent most of the day rowing madly to shore to beat the cloudbursts, lighting fires to dry out and then repeating the process. It's not rest a fisherman gets these days — its sheer exhaustion.

The fishing there on Saturday and Sunday was reported by the concession boss to have been good with a total of 70 fish taken.

If you plan a trip in, be sure to arrive early to get a boat, or reserve one over CKOV, Kelowna. The road is good.

The jovial "Lord of the Antlers" on the main highway between Summerland and Penticton, reported a limit catch for his three boats on Sunday morning — fish running up to five pounds. If you plan a trip there, take an outboard as his boats are not equipped with power.

Report from Chute Lake is that the road is only fair and the fishing likewise. The trouble seems to be that it is still too cold for a fly hatch. Should be a good bet soon.

Osoyoos Lake "out from the sawmill" is not fishing, according to Oliver Fish and Game men. No special bait required.

Sawmill Lake has been slow and the fish are now reported as muddy so the higher lakes are suggested, for now, as a better deal.

Silver Lake, which I think should have been named Heartbreak Lake, is still spotty but, if you wish to test your skill, the fish are there. Unless you are used to Vancouver traffic, try it some other day than Sunday.

As Dave MacFarland, who was in this past weekend, suggested, "the government should put parking meters near the lake."

Bye for now, support your local Fish and Game Club for better fishing in the future.

In OMBL action around the valley this Sunday, Princeton will play at Oliver, Summerland at Kamloops and Kelowna gets a bye.

Chuck Preen, Bill Tennant, Charlie Burch, Bill Peterson, Barry Parker and Ted Smith will represent Pen H in the B.C. Interhigh track meet in Kelowna this weekend.

## Inter-High Track Meet Expected To Be Battle Between Okanagan And Vancouver

## All-B.C. Meet Will Be Held At Kelowna This Friday, Saturday

Vancouver city and Okanagan teams appear to be the favorites in the B.C. inter-high track and field meet to be held in Kelowna this Friday and Saturday. Okanagan athletes compare favorably with the best Vancouver can produce, if the results of the Vancouver inter-high meet are any indication. There are a few outstanding athletes from the big city but on the average there is little to choose between the two districts.

## Kelowna Downs Vernon To Open Cricket Season

A Kelowna XI beat Vernon by ten wickets in Kelowna to open the cricket season at City Park oval May 16.

Match scores follow:

(Kelowna first innings)

Forster, b Bush 2; Hardisty, b Bush 2; Lomax, b Bush 8; Jeffrey, b Collins 2; Watson, ct. Richards, b Bush 21; Day, ct. Collins, b Bush 22; Dewhurst, b Bush 7; Fisher, LBW Bush 0; Green, ct. Humphreys b Collins 2; Paterson, b Richards 8; Spiller, not out 9—extras 6, total 67.

## PARK LIGHTS COSTLY

Night baseball in Penticton now appears to be taken pretty much for granted but in some respects it is still a luxury. The baseball club estimates that on the average the man made sunshine costs \$35.00 per game. During the summer lights are not usually needed until about nine o'clock. A full house is needed to make ends meet on night baseball.

## NOTICE TO Operators of Roadside Stands

All operators of roadside stands and growers selling fruit from orchards in the Southern Interior of B.C., being the area under jurisdiction of the Board, are required to apply to the B.C. Fruit Board, Kelowna, B.C., for a Selling License, covering the 1954 season. Such a license will be issued without charge. The license holder must display prominently at roadside stand or orchard point of sale, B.C. F.B. No. 54-2, advising purchasers of the Regulations governing quantities for the information of the General Public.

A license issued as above does NOT mean that the provisions of any contract between grower and shipper covering the delivery of fruit are thereby rendered void.

BRITISH COLUMBIA FRUIT BOARD

## Bergeron Dreams Says Packer Exec

KELOWNA — Kelowna Hockey Club executive have flatly denied a report in a Vancouver paper that Bobby Bergeron of New Westminster Royals had received an offer to coach Packers next season.

The club executive said they regarded the story as a bit of personal promotion on the part of Bergeron, adding that no offer whatsoever had been made in his direction.

Bergeron was quoted in the count daily as saying: "It's very attractive, but while I think Kenny MacKenzie would let me leave New Westminster Royals, I'm not so sure the rest of the clubs in the WHL would waive the claim to me if I was released."

Club secretary Don Clark said today president Grant Bishop of the Kelowna club had talked informally to Bergeron at the final Allan Cup hockey game in Penticton, asking him what he thought of the league, but had not made any offer at all to the Royals player.

Penticton's Val Vedette track and field club expect to attend their first meet of the year on June 26 as the Interior championships again take place at Kelowna.

Larry Yakimovitch and Gordon Bristowe of Vernon and Don Schmunk of Keremeos have signified their interest in joining the local Val Vedette track and field club.

**HAPPY DAY.** British miler Roger Bannister grins happily as he holds a batch of congratulatory telegrams and messages for his feat of breaking the four-minute mile. Reports estimated the starry miler was receiving a letter a minute for three days after his brilliant run.

## Similkameen And Keremeos Students Take Track Honors

KEREMEOS—Similkameen junior-senior high and Keremeos elementary schools, both located here, carried off the honors at the annual inter-valley schools track meet at Princeton on Friday.

In the high school competition the margin was a narrow one with Similkameen totalling 159½ points to Princeton's 152 with the final results depending on the open relay races. In the elementary class there was a much wider margin in points in the final scores, with handicaps included, as follows: Keremeos, 144; Clatskanie, 69; Oalla, 66; Allenby, 65; Tulameen, 64; Nickel Plate, 60; Princeton, 42.

No records were broken but two were tied by Alice Advocaat in the high jump 12 years and under and Joe Marsel in the open high jump.

In the boys discus division, the Okanagan will probably fare better as Bill Peterson, Penticton, and George Fumerton, Kelowna, are both throwing over 121 feet while Ray Fletcher, Burnaby South, has his best at 117 feet 2¼ inches.

Fletcher on the other hand should have little trouble if he comes near his winning distance of 50 feet 11½ inches in the shot put as Jack Beal, of Similkameen, tossed the iron ball 40 feet ten inches.

Ron Eeles, of Vancouver, is expected to wreck the Okanagan's chances of victory in the 880 and one mile events. He took first place in both of these in the Vancouver meet. His time of 2:03.9 was bettered by fifteen year-old Doug Tartaglio by one second but compares well with Eugen Fandrich, Vernon, a time of 2:09.0.

Senior boys pole vault event should provide an exciting contest as Steve Melnichuk, of Vernon, cleared the bar at 10 feet 10 inches at Summerland and Ron Reiter, of John Oliver, vaulted 10 feet 9 inches.

## Junior Golfers Clinic Saturday: Coast Pros Here

This Saturday, Ben Colk and Joek McKinnon, two of Vancouver's outstanding professional golfers, will visit the local course to hold a golf clinic with a view to promoting junior golf in this area.

Mr. Colk and Mr. McKinnon will demonstrate various types of golf shots and will assist junior beginners to get off on the right foot.

Those juniors who do not have golf clubs but feel that they would like to learn to play, are asked to contact Dave Stocks, club captain, immediately after the clinic. Any other persons interested are invited to attend.

A number of Penticton V's were the guests of the Kiwanis club at their noon luncheon Tuesday.

## Strikes and Spares

## MIXED LEAGUE

Wednesday—High team, single game, Head Pines, 1128; high team, three games, K of C, 3148. Men's high single game, Perry Kinkade, 308; men's high, three games, Chic Kaines, 757. Ladies' high, single game, Isabel Budd, 273; ladies' high, three games, Bernadette McDonald, Gladys Duncan, 659.

Thursday—High team, single game, Woodburns, 1074; high team, three games, Woodburns, 3006. Men's high, single game, "Curly" Verishagen, 287; men's high, three games, "Curly" Verishagen, 738. Ladies' high, single game, Cecelia Kloster, 247; ladies' high, three games, Cecelia Kloster, 591.

Playoffs—The following teams go into the playoffs tonight at eight p.m.: Headpins, K of C, D & N Body Shop.

## Big Lynx Shot In Summerland Orchard

SUMMERLAND — Joe McLachlan shot a lynx in his orchard at West Summerland on Sunday evening about seven o'clock.

Mr. and Mrs. H. C. Whitaker, who live next door, spotted the unusual sight and told Mr. McLachlan. Harold, the small son of the family, was playing outside, but neither he nor the animal had noticed one another.

The lynx weighed about 25 pounds. It is said to be most unusual for one of these cats to be down from the hills, and in an inhabited area.

## Oliver Choral Society Presents Spring Concert

OLIVER — Under the able direction of Harold Ball the Oliver Choral Society presented its spring concert in Oliver on May 14, with 43 members taking part. Three more performances were given last week, one at Naramata, one at Kaleden and one at East Kelowna.

The usual excellent program was presented with a well chosen selection of choral numbers and Miss Wilma Hanson, soloist, and Miss Marie Lenz, pianist, taking solo parts.

The program includes the Hallelujah Chorus, "Oh Sacred Heart Surrounded" by Hans Hasler, "And the Glory of the Lord" from Handel's Messiah. A traditional group of "Annie Laurie", An Eriskay Love Tilt, and "The Road to the Isles" which was encored.

Folk songs included "Bend-meer's Stream" and "Galway

Pipe", Irish airs, and the Welsh "All through the Night". The program concluded with a group of novelty numbers "Swazi Warrior", "Sleep Baby Sleep", "Smoke Gets in Your Eyes", "Battle Hymn of the Republic" and "Shadrack".

A number of encores were sung by request. Miss Hanson sang "Where Corals Lie", Edward Elgar, and Ralph Von-Williams "Silent Noon". As an encore she sang a delightful little song called "The Little French Clock".

Miss Marie Lenz, at the piano, gave a brilliant rendition of Beethoven's Sonata, Op. 10, No. 3, 1st Movement and Frank Bridge's "Rosemary". The latter piece was repeated as an encore. Mrs. Agnes Sutherland acted as accompanist.

## Hearty Singing, Slides, Stories To Feature First Parent's Night

Tonight the Foursquare Hobby Club will have its first parent's night. Among those present will be Mayor Oscar Matson, as well as a number of Penticton businessmen, who are interested in the activities of the club. It will be held at Foursquare Gospel Church.

The club is run on a strictly interdenominational basis. They have a willing merely stating that every boy and girl attend Sunday School, somewhere in the community. It is the hope of the group that this rule combined with the efforts of the 15 Sunday schools and churches represented, they can contribute something towards the structure of tomorrow's citizens.

#### YOUNGSTERS CONTACTED

Since its origin about 18 months ago the club has contacted over 200 boys and girls between the ages of 7 and 12. The average attendance is between 90 and 100. After a session of enthusiastic singing and a few novel procedures of the club there is a story told, or slides shown, usually with emphasis on a particular theme. After "story time" the club separates into departmental groups and pre-cut projects are assembled. The projects are usually useful items around the home.

The club was originally organized by Rev. Ross Lemmon, who was previously pastor of the church. Since that time the work has been taken over by Howard Hux of Los Angeles. Previously to the children's work here Mr. Hux had been associated with the well known "Mickey Finn Youth Clubs" in Los Angeles, and other cities.

#### CHRISTIAN TEACHING

When asked of the initial purpose of the club, Mr. Hux had this to say. "The church has a definite responsibility in regards to the training of the future citizens of the community. It is the purpose of the club to tell every boy and girl the story of Christ, and to bring them to a realization of their Christian responsibilities to their community and to God. Only by realization of this responsibility on the part of the youth can the rising wave of lawlessness and juvenile delinquency be curbed."

The program tonight will include the showing of a film concerning youth and children's work, singing by the children, and a display of the many projects made.

## Safeguarding Water Supply At Kaleden

Chlorination of the domestic water supply at Kaleden has been a matter which Dr. D. A. Clarke, medical director of the south Okanagan Health Unit, has been giving further attention, working with the Kaleden water board.

There is a large volume of irrigation water used at Kaleden and domestic water for the 60 households in that area is taken on from this source. To chlorinate this amount of water is practically prohibitive in cost. To get a well for home purposes it is necessary to dig 500 feet.

Steps are being taken to go over the water course from Maroon Valley to Kaleden, with a view to possibly fencing parts where cattle might be polluting the supply, building troughs, and generally making it safer from a health point of view.

The school and some households have small chlorination units in operation in Kaleden.

During 1952 Canada supplied more than four-fifths of the world's exports of newsprint.

He that believeth on Him is not condemned, but he that believeth not is condemned already, because he hath not believed in the Name of the only begotten Son of God.

—John 3:18

## On Deck With The Sea Cadets

Last Friday night saw many cadets sitting down to exams. Those doing the leading cadet and petty officer exams, under the supervision of Lieutenant Freeman, were writing papers which are standard throughout Canada. Ordinary cadets taking the able cadets tests were under the supervision of our local cadet officers, Lieutenant Commander Mattock and Midshipman Eimer. In addition to these two groups, four cadets were being examined in Morse buzzer and key.

It is expected that 14 cadets will attend Camp Comox this summer. In addition three expect to attend eight weeks courses in Nova Scotia. Two are going to HMCS Cornwallis at Digby, N.S., and one is going to HMCS Stadacona at Halifax. With some articles being written here in Penticton, some at Camp Comox on Vancouver Island, and others from Halifax and Digby, Nova Scotia, this column should prove to be very interesting and informative throughout the summer months.

The cutter crew, under Coxswain Fernie, goes out regularly on Sunday afternoons for rowing practice and recreation. This provides good exercise for the cadets.

Immigration figures show that 38 percent of post-war immigrants to Canada have bought cars, 40 percent have bought homes, thus boosting consumption and increasing the domestic market.

## KEREMEOS

KEREMEOS — The many friends of Mrs. Evelyn Johnson of White Rock will learn with regret of her death in hospital last week. The late Mrs. Johnson, her husband A. W. Johnson and daughter, Mrs. Juanita Leavens of White Rock, lived here for some years when Mr. Johnson was resident agent for the Great Northern Railway. She was an active member of the OORP, Lodge No. 83, and also took part in many community efforts prior to Mr. Johnson's retirement with his family to White Rock.

Mrs. R. H. Carmichael, a former resident of many years, is a business visitor in town and while here is renewing friendships with friends of long standing.

Among the many visitors to the district for the long weekend were Mrs. J. R. Campbell, Mr. and Mrs. Ronald Campbell and their children, of White Rock. Mrs. Campbell and her husband, the late J. R. Campbell, were in business here for many years and after disposing of their general store to Mr. and Mrs. Andrews, retired to the coast and to White Rock, where Ronald Campbell is now in the grocery business. Mrs. Campbell will sail early in May on the Empress of Scotland for a visit to England after an absence of forty-eight years.

Miss Helen Hodgson, of Vancouver was a visitor at the home of her parents, Mr. and Mrs. C.

G. Hodgson for the weekend festivities. As retiring Rodeo Queen, Miss Hodgson officiated at the crowning of Queen-elect Shirley Harris.

Mr. and Mrs. H. Norman Sumnerfield and Mr. and Mrs. Gunn, of Vancouver were weekend guests of Mr. and Mrs. Ross Innis.

Births in Canada during 1953: first 10 months were up nearly four percent over the same period of 1952.

How Christian Science Heals "Grief Can Be Healed" CKOV, 630 kc Sunday, 9:15 p.m.

## Why do Christian Scientists have Reading Rooms?

The Christian Science Reading Room in your district is maintained by your Christian Science neighbors. It stands as an outward sign of their appreciation for the blessings they receive constantly through Christian Science — benefits equally available to you.

Release from disease, from fear and want, has come to many from the thoughtful reading of

### SCIENCE AND HEALTH

with Key to the Scriptures by MARY BAKER EDDY Based upon their own experience, Christian Scientists do not believe in persuasion. But they do feel that anyone should have the right to investigate Christian Science for himself and in his own way. Hence these Reading Rooms, free to the public, have been established in every district where there is a Christian Science church.

Science and Health may be read, borrowed, or purchased at any Christian Science Reading Room, or sent \$3.00 and a copy will be mailed postpaid.

### Christian Science Reading Room

815 Fairview Road or write P.O. Box 357, Penticton

Information concerning free public lectures, church services and Sunday School is also available.

# 6 BIG YARDSTICKS OF VALUE

Chevrolet gives you the beauty and distinction of Fisher Body Styling. You notice it instantly in Chevrolet's smooth, graceful, low-slung look — in the quality and workmanship of those colorful Chevrolet interiors!

Chevrolet is the lowest priced Canadian car. That's possible because year after year, Chevrolet builds more cars than anyone else! And the savings resulting from volume production are passed on to you!

You would expect to pay a lot more to match Chevrolet features. No other car in its price class can approach Chevrolet for its wide choice of comfort, luxury and performance features!

There's new economy in this 1954 Chevrolet. Chevrolet's improved valve-in-head engines squeeze extra power and extra mileage out of every drop of gasoline!

Chevrolet has always returned a larger percentage of its price at resale than other cars in its field. You can be sure of a generous trade-in allowance on a Chevrolet.

Year after year, more people have bought Chevrolets than any other car. What better proof could there be that Chevrolet is a better buy for you, too!

## Powers Of Union Health Boards Discussed At Kelowna Meeting

South Okanagan Union Board of Health meeting in Kelowna last week passed a resolution recommending that before any formal declaration of policy as to the powers of Union Health Boards, members of the 17 Union Boards of Health and the health department be assembled together and the whole matter considered carefully before the powers of the Union Board are finalized.

## Oliver Community Health Centre Nears Completion

Frank Venables was congratulated at the meeting of the south Okanagan union board of health meeting held in Kelowna on Wednesday on the success of the community health centre which is almost completed in Oliver.

Mr. Venables is chairman of the committee for the \$312,000 building and has worked tirelessly in bringing it to completion. Dr. Clarke presented a cheque for \$2,000 from the department of health and recently a \$500 grant was received from the B.C. Cancer Society and a similar amount from the Red Cross. Oliver village commissioners gave \$1,000 towards it as well.

Mr. Venables reported wonderful co-operation in Oliver where work in electrical wiring, and building a chimney was donated as well as 10 loads of soil for the lawn, drapes, and Venetian blinds.

Five hundred different types of fine paper are made in Canadian mills.

\* There has been discussion between the two bodies regarding this matter and at a meeting of the South Okanagan health unit in Princeton last November, a committee consisting of the chairman, Alderman A. Jackson, Kelowna; Reeve F. E. Atkinson, Summerland; one of the senior members of the previous board, and R. P. Walrod, former board member, was set up to study a pamphlet issued recently by the department of health outlining functions and responsibilities of a Union Board of Health.

**FAILS TO REVEAL**  
Findings of this committee were that a study of the booklet failed to reveal a basic principle under which the health board agreed to enter the present arrangement with the department of health in 1946. Specifically this was employment transfer or dismissal of any staff member should only be done after consultation with the board. This principle was reiterated at a meeting held with Dr. Hershey of the department on June 20, 1946, and again in the first annual report of the department of health and welfare, year ending December 31, 1946.

The pamphlet stated also that boards are to familiarize themselves with the annual budget, which the committee found impossible as budget figures are not forwarded to the board. Clarification was asked in the findings of the special committee on a paragraph which reads, "Because of the specialized technical nature of the public health services, certain advisory, supervisory and consultative authority becomes vested in the health branch which permits qualified officials to provide professional guidance to the health unit staff. This is in addition to similar authority on the Union Board of Health."

**PUBLIC RELATIONS.**  
The committee has stated that it believes that no problem exists which cannot be resolved in the practice of good public relations, and that the objective of Union Boards of Health is a desire to assist in maintaining the highest standard of public health service, but feel that the effective function of the Okanagan board is dependent upon due recognition of its views and opinions, and summarized by the statement: "Having yielded our direct control to the health department in the interest of the staff and broader services, we are nevertheless reluctant to see complete dictatorial powers assumed."

## P-TA News

Carmi Avenue P-TA members listened to a thought-provoking talk by Mrs. Collin Macdonald on supervised children's playgrounds, at their regular meeting last Thursday night. Mrs. Macdonald posed the question, "does the low attendance at Westview playground warrant hiring a paid supervisor?" Members felt that lack of shade from the extreme mid-afternoon heat during July and August was the main reason for the drop in attendance, and suggested that the playgrounds be supervised during the mornings and from five-thirty to eight o'clock in the evenings, instead of during the afternoons. Mrs. Macdonald reported several instances of wilful destruction by vandals at the Westview playground.

Voicing concern over the fact that motorists consistently parked their cars on the sidewalk provided for the school pupils on Carmi avenue, especially in front of the new hospital, members unanimously endorsed the sending of a letter to the City Council, requesting that "no parking" signs be placed along the sidewalk from Main street to Government street.

The panel discussing polo by five local doctors, originally scheduled by the Group for May 13, was postponed, owing to the Allan Cup hockey playoffs. This proposed panel has aroused a great deal of interest. It is expected the panel will now be held at the group's next meeting on Thursday, June 10. Parents from throughout the city are invited to attend. Confirmation of the date will be made later.

"By 1970 Canada will have 1,500,000 people over 65, a pool of highly skilled and dependable labor which industry would be foolish to overlook" — J. D. Morgan, Toronto Industrialist.

QUEEN ELIZABETH and the Duke of Edinburgh wave a greeting. The Royal family sailed from Gibraltar for London aboard the Royal Yacht Britannia.

## School Trustees' Association Golden Jubilee Convention At Penticton Sept. 29-Oct. 1

Golden jubilee convention of the British Columbia School Trustees' Association will be held at Penticton September 29 to October 1.

Dates for the annual examination of the business of educating B.C. youth, from the local taxpayers' viewpoint, were announced by Mrs. Ada Crump, of Vancouver, president. B.C. School Administrators' Association, made up largely of school board secretaries and treasurers, will meet during the opening days of the session.

### EXECUTIVE MEETS

Executive of the association will meet a day in advance, September 28.

Minister of Education Ray Wiliston will lead government representatives at the convention.

Also represented will be the University of B.C., Union of B.C. Municipalities, B.C. Teachers' Federation, B.C. Parent-Teacher Federation, Canadian School Trustees' Association, Alberta School Trustees' Association and other groups.

### CONVENTION AGENDA

First day will be concerned with organization of the convention and presentation of reports

by branches, committees, pension board and Canadian Trustees.

On the second day officers will be elected and resolutions will be discussed. Third day will emphasize resolutions and notices of motion.

Closing function will be the annual banquet, at which Mr. Wiliston will be guest speaker.

The Federal government's Old Age Security Fund can hardly be self-supporting despite taxes that were supposed to make it so, for in October, 1953, the government decided to lend the fund \$2,262,000.

**Where oh where does the money go?**

That's a question we all ask ourselves!

We ask it at Imperial too.

And the answer is to be found in our annual report.

Here is where each Imperial dollar went last year.

53½¢ went to buy crude oil and other raw materials.

28½¢ went to operating costs...including pay cheques to our employees.

10¢ was gobbled up in taxes...and this doesn't include the provincial gasoline tax.

4¢ was used to replace worn-out equipment.

The rest...4¢... was dividends to our shareholders for the use of plants and equipment bought with their money.

VOL. XLIV.—No. 21

PENTICTON, B.C., WEDNESDAY, MAY 26, 1954

OF  
CABBAGES  
And  
KINGS  
by  
Vince Duggan

They raised quite a small last week over proposed site of the new elementary school. Location, at Birch and Power, near the chemical works, is what caused the stink. The conversation went something like this: Mayor Matson: "This is the best site available." Tom Daly: "I don't know if anything can be done about the odor around there but if there can't I propose that no school site be placed in such a position." Tom Swann: "Let's not keep this in the dark. Where is this school going to be?" Mr. Easut: "North and east of the arena." Frank Cluck: "I am surprised at the health authorities allowing this." Mrs. Balla: "I don't believe we have their clearance, as yet." Mr. Easut: "Pro-  
ance, as yet." Mr. Easut: "Pro-  
a u t h o r i t i e s  
h a v e  
g i v e n  
t h e i r  
o k a y."  
J. W. Johnson: "They don't smell this thing in Victoria." Hugh Cleland: "Well, one thing, youngsters living north and south will be somewhat relieved, of the smell during school hours." That was just about the end of the conversation.

## THINGS AND STUFF

Mayor Matson pulled a faux pas at the ratepayers meeting and then made a nice recovery. He said, "no matter where you live, this town sometimes stinks." And later on, in speaking about civic elections he declared, "I don't like the way they were run but they must have been done right because I was elected."

## COUNTRY WIDE

Willard Nourse, writes from Ottawa: "Congratulations to the V's on their terrific win over Sudbury to give them and Penticton the Allan Cup. We have been following with interest all the playoffs, with Nelson, with Winnipeg and with Sudbury as it has been given very good coverage here by both the radio and local papers. The playoffs have been followed closely by the smaller cities around here such as Smithers, Bulkley and Pembroke and wherever I go, of course, I always let them know that I am from Penticton. The playoffs and the winning of the Allan Cup have been the best publicity Penticton could get, as everyone is asking about our lovely city before, in a lot of cases, did not know that it even existed. Perhaps the Junior Chamber, of Commerce or Board of Trade would like to send me a few tourist pamphlets as I travel to many of the cities and towns in eastern Ontario and on many occasions could have put them to use. Needless to say, we miss Penticton and our many friends there, but look forward to receiving the Herald each week, which keeps us up to date with the progress of Penticton. Just thought I would drop you these few lines to let you know how the hockey playoffs have helped to put Penticton on the map in the eyes of the people of this part of Ontario." Thanks Willard, we wish you, Mrs. Nourse and family well.

## TULIPS

Vancouver shouldn't blow its horn about outrageous flowers. Right here in Penticton, Mrs. George Thacker, 547 Bennett avenue, reports a three-headed tulip, mostly yellow, she says, but all same, resplendent in its glory.

## WHAT NEXT?

Tommy Pringle tells me that he paid \$7.53 for a load of dirt the other day. The soil cost 50 cents, hauling charges \$7.00 and sales tax three cents. So now they're taxing the very earth we walk on. I wonder if they have a levy on fertilizer.

## BIRDS AND BEES

Dr. D. V. Fisher, of the Sumnerland farm, is an able and informative speaker. He told Penticton fruit growers that bees are responsible for two-thirds of all pollination. Which is a point some of you students might like to bring up at your next effective living class.

## ABOUT CONVENTIONS

Jaycees will be eating high off the hog when they gather here tomorrow for their three day convention. Among other things

LITTLE  
TODINE  
By JIMMY  
HATLONo Change In Dental Set-Up  
Is Request Of Health Unit

South Okanagan Health Unit meeting in Kelowna last week passed a resolution that there be no change in the local dental set-up with the department of health, which is proposing a new policy to re-appoint the present dental directors on a regional basis within two or three health units to carry on an educational and consultative program.

Treatment services to pre-school and primary grade children would be rendered by local dentists, under the suggested policy. They would enter into agreement with school boards or committees set up specifically for the purpose, and local school boards would get 50 percent cost from the government, and any levy now paid for a health unit dentist by a municipality would be cancelled.

Many local dentists are too busy to co-operate with school boards in this way, and school budgets for the year have been completed, so incorporated in the they have planned a monster barbecue on Lake Okanagan shore near SS Silemous. Port Alberni unit is flying in 250 fresh oysters, Duncan has offered 1,000 oysters, fruit and vegetable juices are being received daily. Speaking of juices, I am sorry to have to inform delegates that tomorrow, first day of their convention, is also voting day here on the liquor plebiscite and certain places around town will be closed until 8 p.m.

resolution of leaving things as they are was the thought that no change could be made until dentists are available and ready to co-operate.

A further resolution is to be forwarded to UBC urging the establishment of a dental faculty to the end that more dentists be available. This will be sent to all other health units in the province for endorsement.

Dr. W. G. Hall, dental director, pointed out that in all other aspects the department of health, through its units, does not undertake services that can be provided by private endeavor and is intrinsically set up to prevent rather than give treatment.

Breakfast surprises now and then will woo the poorest appetites. Add a few raisins or chopped dates to your cooked cereal. Dress up your scrambled eggs with bits of crisp bacon or cooked sausage. Spread buttered toast with a mixture of soft creamed cheese and chopped nuts and cut in fingers for easy eating.

Sam McGee of Northern Lights fame up Lake "La Barge" way would turn over in his grave, perhaps, at this news. Employees in the cocktail lounge and tavern at Whitehorse in the Yukon have become unionized.

Our Town  
By Jack Scott

Among the familiar types to be found at house parties, such as the singer from Newfoundland chantes, the wearer of lamp shades and the demonstrator of jujitsu, none is as strange as the party-goer with long distance itch. It is a rare gathering in which there's not one or more participants who, warmed by grain spirits and bursting with camera, derle, develops a passion for phoning to far corners of the earth.

Quiet, modest, unassuming men develop an inexplicable passion for global messages relayed through the miracle wrought by Alexander Graham Bell. Unlike the chatty blabbers or the wretches they are often the introverts at a party, unnoticed until at midnight you hear them cry, "Let's phone old Hal in Honolulu."

Only last night I chanced to be at a soiree in which the high point of the evening was, in fact, a \$17.50 conversation with old Hal.

Fifteen people who normally wouldn't walk into the next room to say hello to the man, babbled incoherent words of love and affection across the blue Pacific. Distance, as they say, lends enchantment and, having made the connection, it seemed terribly important to give the man immortality.

It is a curse I bear that my own three best friends are all victims of Long Distance Itch and reach a point in every reunion when they are drawn irresistibly to the instrument. They are naturally incapable of understanding my lack of operation when at four in the morning I am aroused—say in Capetown, South Africa, for the sole purpose of hearing them say "For He's a Jolly Good Fellow."

Such conversations, in fact, always have a high, clear lacy

with one side fiercely gay and the other still resentful and stunned that the long-distance message will be bad news.

They are further complicated by the fact that they are almost always unintelligible on at least one side.

Good old Hal in sunny Hawaii gave us what I am sure was a full description of his holiday, but which came out at our end only as a sound like breaking bubbles and I had the distinct impression of speaking to a man in a leaky bathyscaphe.

He, on the other hand, was receiving us loud and clear, which was perhaps unfortunate since our contribution consisted mainly of the folk-singer's rendition of the "Squid-Jigging Grounds."

The chatty-singer who is also a Long Distance Itcher is a new menace to society.

I will concede that there is a fatal attraction in this most expensive of parlor games and one is easily swept along by the enthusiasm of the man with the original thought.

Yet, like so many things in life, anticipation is everything and not infrequently the sense of anti-climax when the call is a whole party.

The planned witticisms never come off. Instead a series of people bellow into the receiver, "How are you? Say it's great to hear your voice."

The reply comes back, "Blub, blub, blub," and the instrument is hastily passed to the next old chum who cries out, "Say, it's great to hear your voice. How are you?"

Meanwhile the host has begun to sulk all too aware of mysterious meters adding a whacking double figure to his next telephone bill.

No one, of course, has ever been known to develop Long Distance Itch in his own home.

## The Recipe Corner

### GOLDEN MEAT LOAF

This is a recipe for a good meaty loaf, one that's moist and especially flavorful. Both pork and beef are used. Their flavor is stepped up with the addition of Corn Flakes, Worcestershire sauce, onions, raw carrots and parsley.

Serve with baked potatoes and tomato slices for a satisfying, delicious, and inexpensive dinner.

4 cups corn flakes  
1/2 pounds ground beef  
1/2 pound ground pork  
2 eggs, slightly beaten  
1 cup milk  
2 teaspoons salt  
1/2 teaspoon pepper  
1/2 cup chopped onions  
1 cup grated raw carrots  
1/2 cup chopped parsley

Crush corn flakes slightly. Combine with remaining ingredients and mix well. Spread in greased 9 1/2 x 5 1/2 inch loaf pan. Bake in moderate oven (350 deg.) about 1 1/2 hours.

Penticton Players' Club held a meeting on May 17 when it was decided to hold over the election of officers until September.

Present slate of officers consisting of Mrs. Ethel Josslyn, president, Miss Hazel Southard, vice-president, secretary, Miss Rose K. Owen, treasurer, William Mock, with Mrs. V. James, Mrs. Geoffrey Allington, and Miss Joan McGregor will act as a working committee until that date.

Mrs. Josslyn is the Players' representative on the provincial drama festival committee which is planning for the festival to be held here in June.

The Tjalling Church near Tonsberg, Norway, celebrated its 800th anniversary in 1950.

## Legion Ladies Consider Convention Resolutions

Resolutions for the coming convention were read and delegates instructed as to voting at the general meeting of the Ladies' Auxiliary to the Canadian Legion held on May 4, when 34 members were present, and the president, Mrs. Frank Braut presided.

Mrs. Wilfred Gougeon gave an interesting report on the zone meeting held in Penticton in April. An effort will be made to act on a motion from the zone meeting to the effect that each auxiliary endeavor to have a speaker at a general meeting on war medals, and in particular the Silver Cross.

Mrs. Helen Nelson will convene the raffie of a pair of blankets at the convention.

Monthly reports indicated a number of patients visited, both at home and in the Penticton hospital. Members appointed to visit the sick in May are as follows: Hospital, Mrs. Helen Nelson, Miss Laurie Atkinson; east side, Mrs. L. C. Stokes and Mrs. R. O. Thomas; west side, Mrs. Roberta Radau; Mrs. W. D. Noel is checking convener for this month.

The parcel for the Children's Home in England is now the responsibility of Mrs. Gougeon. It was decided that a small charge will be made for the use of the Auxiliary dishes in the kitchen, and the number is up to 250 again.

At the meeting the United Appeal canvassers were allotted their respective territories, and in place of Mrs. Gougeon who will be absent at the time, Mrs. Joseph Backmeyer was appointed delegate to the Peach Festival.

Another point of business was completed when catering for the Red Cross Blood Donor clinic was arranged.

Mrs. Mabel Crossley was initiated as a new member of the society.

Mrs. Wallace Mutch and Mrs. Thomas were appointed a committee to make a report on present members eligible for the 25

## W.I. Remembers Mrs. C. W. Lintott

A moment of silence was observed at the May meeting of Penticton Women's Institute out of respect to the memory of Mrs. C. W. Lintott, who passed away a short time ago. She was a past president and hospital representative for several years, contributing her time and talents in many ways.

During the meeting, the president, Mrs. J. Bowen-Colthurst, thanked all those who helped to make the district rally successful, and the resolutions for the provincial convention were discussed in detail.

Clifford Moore spoke on the plans of the Newhope Benevolent Society for the proposed home for senior citizens in the former hospital.

An interesting talk was given by Mrs. Berna Jackson on her work with UNRRA.

A delicious tea was served by Mrs. C. C. MacDonald, Mrs. Guy Brock and Mrs. Oscar Anderson.

## Daughter Born To Aidan Butterfield

SUMMERLAND — Word has been received in Summerland of the birth of a daughter, Lee Denise, on May 14, 1954, at St. Vincent's Hospital, Vancouver, to Mr. and Mrs. Aidan Butterfield. Mr. Butterfield is the youngest son of Mrs. Virginia Butterfield and the late James Butterfield.

year membership pins.

It was regretted that Mrs. H. P. Russell, one of the members, is leaving to reside on the prairies again.

Mrs. Potter, a visitor from Alberta, was welcomed as a guest for the evening and gave a short talk on activities of auxiliaries in her former home town.

The five-cent raffie was won by Mrs. Lloyd Stokes.

## St. Stephen's W.A. Annual Spring Tea

SUMMERLAND — Mrs. F. V. Harrison received guests at the annual spring tea of St. Stephen's Anglican W.A. in the parish hall on Saturday afternoon.

Dainty spring blossoms lent color and graciousness to the room and tea tables and Mrs. W. S. Nield poured tea.

Mrs. Charlie Clark and Mrs. William Beattie took care of the sewing stall, and Mrs. E. Nicholson, Mrs. A. F. Calder and Mrs. Gladys Chadburn, the home cooking.

Mrs. Frank Haddrell and Miss Marion Cartwright arranged the seasonal plant stall, and the kitchen staff were Mrs. J. W. Harris, Mrs. Barr and Mrs. J. Mellor.

## Presentation Made To Mrs. Russell Wells

Mrs. Russell Wells was honored at a farewell party given by the Mizpah Circle of the United Church prior to her departure to live in Vancouver. The party was held at the home of Mrs. C. C. Hanson, Van Horne street, on Thursday afternoon, May 14, when 20 members and two visitors were present.

Presentation of a canister set to the going-away member was made by the president, Mrs. J. H. Carter with the good wishes of all members.

The usual business was transacted and a pleasant social half-hour spent during tea which was served by the hostesses for the afternoon. Mrs. Tony Walker, Mrs. J. W. Johnson, Mrs. Guy Brock, and Mrs. Tom Robertson.

## Job's Daughters Hold Initiation

Shirley McFarlane and Marjorie Kernaghan were initiated into the order of Job's daughters, on May 5, in the Masonic Temple. Honored Queen, Marie McFarlane, presided at the impressive ceremony.

The girls are pleased to have been asked to go to Oliver to display initiatory work.

Reports were given of the Grand Session held in Vancouver during the Easter holidays by the local members who attended.

Mrs. Reginald Cox, Bethel Guardian, provided delicious refreshments at the conclusion of the meeting.

## Hot-Water GINGERBREAD

Grease an 8-inch square cake pan and line bottom with greased paper. Preheat oven to 325° (rather slow). Mix and sift three times 2 c. once-sifted pastry flour (or 1 1/2 c. once-sifted all-purpose flour), 2 tps. Magic Baking Powder, 1/2 tsp. baking soda, 1/2 tsp. salt, 1 tsp. ground ginger, 1/2 tsp. ground cinnamon and 1/4 tsp. grated nutmeg. Cream 5 tbsps. shortening; gradually blend in 3/4 c. lightly-packed brown sugar and 1/4 c. molasses; add 2 well-beaten eggs part at a time, beating well after each addition; stir in 1/2 tsp. grated lemon rind and 1/2 tsp. vanilla. Add flour mixture to creamed mixture about a third at a time, combining lightly after each addition; gently stir in 3/4 c. boiling water. Turn into prepared pan. Bake in preheated oven about 45 minutes.

## Pressure Cooker Should Be Checked

It won't be long before the housewife must start thinking about canning those wonderful, fresh vegetables that soon will be coming up in the garden.

It's well to be ready for the task because there's no waiting, once the vegetables are ready for canning.

So, let's give a look at the canning equipment. Check that pressure cooker, making sure all screws tighten correctly. The handles must be firmly anchored, the sealing ring should be in good condition — and the pressure gauge should be correct, with exhaust valves in smooth working order.

Remember, that the pressure gauge may become inaccurate. And unless one is sure just how it registers, it'll be hard to tell if the jars of vegetables you process actually are going to keep safely once you store them.

## REMOVE STAINS

To remove paint stains, use gasoline or turpentine; denatured alcohol will remove lacquer, shellac or varnish stains.

## Doll Contest A Big Feature Of 1954 CNE

An enchanting prospect for the Canadian National Exhibition this year is the doll contest. Dolls fascinate everyone, and age and sex seems to be no barrier.

Already requests are pouring in to the Women's Division, Canadian National Exhibition, Exhibition Park, Toronto, for entry forms.

Rules are that judging will be on the basis of workmanship, originality, and costume design; classes are — senior class for groups and individuals (including high school classes) 16 years and over, and junior class for individuals and groups, 15 years and under.

Prizes are most attractive and for the senior class are \$100, \$75, \$50 and for the junior class, \$75, \$50, \$25.

To be eligible dolls may not be less than 10 inches and not over 21 inches in height.

They may depict any age, personality, character or shape. Dresses may be period, national, or "out of this world", in design. All dolls become the property of the Women's Division of the Canadian National Exhibition and will be distributed through recognized charities to little girls who are most in need of a doll for Christmas.

All dolls must be in the possession of the Canadian National Exhibition by July 1, 1954. Distribution will be through the Canadian Welfare Council, the Salvation Army, and the Canadian Save the Children Fund.

### SIX NEW MEMBERS IN REBEKAH LODGE

Mrs. John Fytik, the chaplain of Redlands No. 12 Rebekah lodge, was given special mention for the new tableau work in the impressive ceremony on April 27 in the IOOF hall when six candidates had the Rebekah degree conferred upon them.

Visitors were present from Oliver and Summerland.

Mrs. Walter H. Hill is the noble grand, and the lodge was pleased that the district assembly is to be held in Penticton in the fall.

Refreshments were served in the lower hall at the close of the meeting.

## RECIPE HINTS

**Honey Crisp Coffee Cake**, a combination of standard cake ingredients, is topped with shredded coconut, pineapple, sugar-coated corn flakes and honey. A quick thirty-five minutes baking and you have a golden brown, tender, tasty coffee cake to serve hot from the oven!

**Honey Crisp Coffee Cake** sugar; add egg and beat well. Stir in sifted dry ingredients, alternately with milk, being careful not to overmix. Spread in greased 9x9 inch pan. Crush sugar coated corn flakes slightly. Blend butter and honey; stir in shredded coconut, pineapple and crushed corn flakes. Spread over batter. Bake in moderately hot oven (400 degrees F.) about 35 minutes. Yields: 9 3/4 inch squares.

## CHURCH WOMEN OF KOOTENAY DIOCESE HOLD ANNUAL MEETING

OLIVER — The annual meeting of the Kootenay Diocesan Women's Auxiliary held in Oliver, May 18 and 19, opened with a most impressive and moving Communion Service at which the Lord Bishop of the Diocese, the Rt. Rev. F. Clarke officiated and gave an address, the theme of which was "Thou shalt love the Lord thy God, and thy neighbor as thyself". Bishop Clarke was assisted by Bishop E. Stanford, who is resident in Oliver.

Following the service the ladies adjourned to St. Edward's parish hall where the meetings opened with prayers by Bishop Stanford followed by addresses of welcome given by Miss N. Nichol and Mrs. H. Boone, the presidents of the auxiliaries here. The reply was given by Mrs. F. V. O. Harrison of Summerland.

God's wishes and greetings were then read by Mrs. S. W. Davis, corresponding secretary. The minutes of the last meeting were read followed by reports from secretaries of the various sections of auxiliary work. Mrs. A. T. Horswill of Castlegar was in the chair.

Noonday prayers were given by the new rector of the parish, Rev. C. S. Lutner.

Luncheon was arranged by the Catholic Ladies Auxiliary in the Catholic Church hall. Following luncheon the theme of the afternoon meeting was "on those whom we have loved and lost", a special memorial being given to Roberta Tilton. The report of the "Book of Remembrance" was read.

The Lord Bishop gave his address, followed by the president's address. Tea was served by the Oliver Afternoon branch.

At eight p.m. a missionary service was held at which Bishop Clarke showed films of the churches in the Diocese, followed by a talk by Bishop Stanford on his first coming to Regina and how the W.A. there, helped him. The meeting closed with

## Mother's Day Tea By Royal Purple

Artistically arranged floral centres decorated each small tea table and the beautifully appointed main table at the successful "Mother's Day Tea" held in the Glangarry Room of the Hotel Prince Charles last week under the auspices of the Order of the Royal Purple. Mrs. George Gordon, general convenor of the tea arrangements, and Mrs. Paul Ruhl were in charge of the decorations.

The honored royal lady of the lodge, Mrs. Thomas Moriarty, and Mrs. Charles Marshall, receiving the many guests attending the popular social event.

Mrs. C. Oscar Matson and Mrs. J. R. Worthing, past honored royal lady, presided during the tea hours, and acting as servers were Mrs. Larry Ward, Mrs. Larry Hardman, Mrs. Jack Littlejohn, Mrs. A. McFarland, Mrs. E. Weaver and Miss Peggy Weaver.

Many attractions were featured at the tea and in charge of these were Mrs. Harold Peel and Mrs. O. B. Murray, apron stall; Mrs. Worthing and Mrs. Cliff Hultgren, novelties; Mrs. Larry Denon and Mrs. Des Lyle, fish pond; Mrs. Ruhl and Mrs. E. Trabert, homecooking; and Mrs. Gordon and Mrs. Larry Hardman, raffle.

A cake made and donated by Mrs. Leonard Burns was won by Mrs. Mary Merritt; the door prize donated by Mrs. Margaret Dawson was won by Mrs. Mabel Karner, Kaleden; and the raffle prizes went to Mrs. V. C. Stalard, coffee table, Mrs. R. Rice, Vancouver, pressure cooker, and S. Dagg, the sheets.

### Legion Ladies Arrange To Share Convention Costs

SUMMERLAND — Arrangements for sharing the costs at the provincial convention of the Legion Auxiliary to the Canadian Legion were made at the regular meeting of the Summerland I.A. on Thursday evening, Peachland, Summerland and Penticton members are joining to entertain delegates at tea one afternoon during the convention which is scheduled for May 30-June 3 in Penticton.

Mrs. A. Johnson, local president, and Mrs. W. McCutcheon are the official delegates. The members were pleased to hear that a profit of \$140 has been realized from the winter series of bridge parties.

Mrs. McCutcheon will convene the dinner for the Whist-Bangs when approximately 90 are expected here in June, and plans were made for the annual tea on May 29.

### Shower Held For Miss Olive Tieniski

A party and miscellaneous shower was held on May 5 at the home of Mrs. Nellie Robertson, 155 Nanaimo Ave., to honor Miss Olive Tieniski prior to her marriage. Hostesses were Nancy Robertson and Miss Darle Eastman.

The bride received many lovely gifts and a delicious tea was served.

Guests were the mother of the bride, Mrs. T. Tieniski, Mrs. William Luck, Mrs. Evelyn May, Mrs. Ernest Powell, Mrs. Charles Eshleman, Mrs. John Banford, Mrs. Bill Mathers, Mrs. James Purdie, Mrs. Gerald Campbell, Miss Dorothy Hall, Miss Doris Gregory, Miss Pearl Reynolds and Miss Velma Steuart.

The Good Companion Circle of the United Church met at the home of Mrs. Ernest Rands on Wednesday, May 12, when 15 members attended.

It was reported that eight visits had been made during the previous month, and a tea and sale of work was planned for Saturday, June 26.

Refreshments were enjoyed and on June 9, a meeting will be held in the United Church hall.

2. New tanning additive gives deeper warmth of tone, eliminates glare!
3. Self-cleansing action automatically sheds grime and dirt with each rainfall!
4. New Alkylid content provides smoother, tougher surface!

## Mrs. J. Sunderwood Tells Of Trip To Homeland, Holland

Mrs. J. Sunderwood, now traveling in Europe, has written to the Herald telling of her enjoyment as she returns after a number of years to visit her relatives and homeland.

She arrived at Le Havre after a wonderful ocean crossing, going through France with the countryside green and beautiful, to Paris. Here she recounted that she almost needed a suitcase to carry all the money needed for shopping and a light dinner costs 1000 francs.

She decided to go quickly on to Holland and in beautiful Amsterdam found everything was decorated as the Queen of Holland was at the palace with her guests, the King and Queen of Denmark. In another Dutch city, Mrs. Sunderwood saw the celebrations held in honor of the Queen's birthday with splendid

bands and floats. She found living expensive and clothes costly and quite as modern as in the U.S. or Canada.

At the beginning of May she left for Australia to visit her sister.

GOLDEN LINED VACUUM SEALED CANS

WESTERN CANADA'S LARGEST SELLING EVAPORATED MILK

STANDARD of BRITISH COLUMBIA  
presents its finest gasoline achievement

# THE World's first detergent-action gasoline

An entirely new kind of motor fuel that ends forever  
the biggest single cause of engine troubles

*Cleans your carburetor and keeps it clean to step up  
power, cut down gas waste, and give you a smoother-  
running, quieter engine that doesn't die at stop signs*

*Yours in both*

*and*

At no increase in prices.

## How detergent-action does a repair job on your car ... starting with the first tankful

Your car's carburetor, the "heart" of the engine, mixes air with gasoline to make the engine run. Until now it has had one annoying "heart trouble" no matter what car you drove or what gasoline you used.

While your motor ran, a ring of deposits built up in the opening through which the air and gasoline flowed. After a few thousand miles, this ring gradually choked off the air supply during idling. Your engine began to die at stop lights and idled roughly.

### 1 out of 3 repair jobs caused by carburetor troubles

The only solution was to take your car to a repair shop and have the carburetor fixed. That's why carburetor troubles are the greatest single reason for engine repairs.

Then Standard scientists discovered the real cause: Exhaust vapors and crankcase fumes contain tiny bits of soot, gum and dust. They're drawn in with the air your engine needs and stick in the carburetor.

### Removes old carburetor deposits... stops new formations with the first tankful

To cure this, we perfected a new kind of motor fuel to guard the heart of your engine—"detergent-action" gasoline—that not only cleans out the carburetor while you drive, but stops formation of new deposits. As long as you use detergent-action Chevron Gasolines you'll be safe from carburetor troubles except those due to mechanical causes.

### Proved through millions of test miles

Since last November, detergent-action Chevron Gasolines have been in gas pumps in a number of Western cities. Through millions of test miles, under the toughest driving conditions, they eliminated stalling of warmed-up engines at stop signs, ended jerking and bucking in traffic, gave cars new pep and power, chalked up money-saving gas mileage (one taxi fleet reported savings up to \$1200 monthly). Best of all, you get the gas-saving, trouble-ending, performance-boosting extra advantages of detergent-action without paying a penny more. Get a tankful today.

## CHAIRS THAT WOBBLE, CREAK CAN BE REPAIRED AT HOME

No matter how well made a chair is, there comes a time when it requires a repair of some kind. Since a chair must take a lot more punishment than most other types of furniture, it is essential that the repair be well done. Unless the work is being done on an antique chair not intended to use, the failure to do a good job can result in an accident. The strength of the repair, therefore, must be the first consideration of the worker, especially when it is the chair legs which need attention.

Too often the amateur handyman will run for the hammer and nails when a chair must be fixed. If there is one thing that should be carefully avoided in fixing a chair, it is a nail. Most chairs are made of hardwood and a nail will split hardwood quickly. In addition, a nail has neither the holding properties nor the pull-together qualities of a wood screw. But even a wood screw will not suffice for most chair repairs without the assistance of some other strength building substance.

One of the most frequent chair troubles is a broken rung or, as it is sometimes called, stretcher. When a rung is broken complete, the wood of similar shape can often be purchased at a lumber yard if the rung is either square or round. If it is curved, or of an intricate design which cannot be matched, then a repair job must be made no matter how bad the break is.

Fortunately, most breaks in chair rungs do not go completely through. They are actually splits rather than breaks, and they run at what might be called a horizontal angle.

If the split parts are coated with a good quality wood glue and held together with a small clamp or tightly wound cord, the repair will hold indefinitely.

When a rung is loose, but is not broken, some persons dab some glue on one of the loosened ends and push it back into the hole in the chair leg. This is a makeshift repair that cannot possibly hold very long. For one thing, the glue on the end of the rung and the glue in the chair leg hole will prevent the new glue from holding. For another, the reason the rung is loose is that the end has shrunk or

the chair leg hole has become enlarged. Glue is meant to hold things together and not to fill things. The old glue must be scraped thoroughly from the rung and the hole. Now, before the new glue is applied, something must be done to take up the slack caused by the shrunken rung or the enlarged socket.

Professional woodworkers have pet methods of doing this. Some wrap a cloth around the end of the rung before pushing it into the chair leg opening. Others do the same thing with light screening material. Some build up the end of the rung with plastic or wood putty. Others put the plastic wood or wood putty into the opening. Our favorite method, if a first class result is desired, is to saw a notch in the end of the rung and place a hardwood wedge in the notch. The glue is then applied, the rung is carefully driven into the leg socket. It should be clamped or otherwise held in place for at least 24 hours.

The fundamentals for the repair of chair legs are much the same as those for rungs, with the added caution that it is even more important that leg repairs be sturdy. Here again our advice is not to use nails; to use wood screws in addition to glue. To drill holes for the screws and to take advantage of metal mending plates wherever possible. In repairing chair legs, you often will run into mortise and tenon joints that need tightening. In these types of joints, the end of one piece of wood is cut smaller so that it fits into a shaped opening in the other piece of wood. You tackle this problem much the same as we described in refitting a loose rung. The same thing holds true for dowel joints. In short, before regluing the parts together, remove the old glue thoroughly and then, as we explained with a loose rung, be certain there is a tight fit before applying the new glue.

In strengthening of wobbly legs, see whether there are any little wooden blocks attached to the underside of the chair up against the legs. If so, be sure that these fit

## CLEANING UP AFTER FLOODS

It is important to remember that water in flooded areas is not just the product of melted ice and snow or similar to normal stream waters. During flood conditions, water leaves the normal course of streams and scours the countryside, washing over countless farm yards, manure piles, refuse heaps, surface and pit privies. As such it is heavily contaminated and requires special consideration.

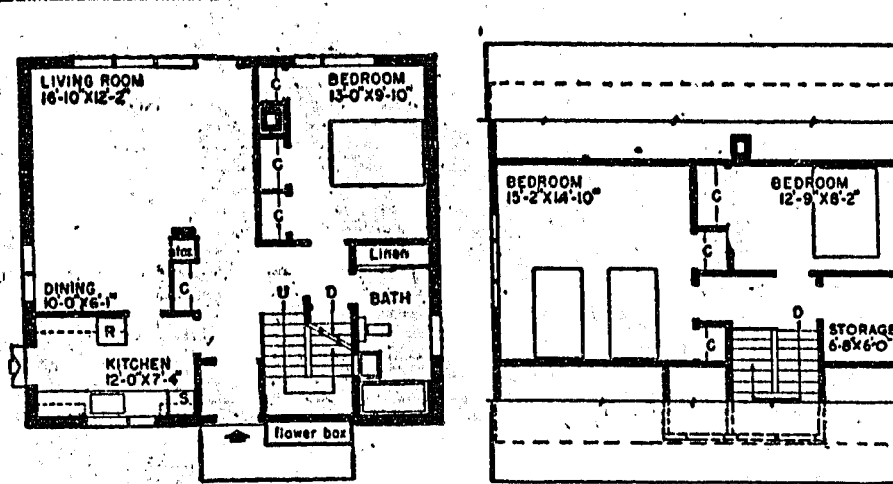

If drinking water is from a well, it must be assumed it is contaminated and if it appears to be clear may be used following boiling or chlorination. In order to sterilize the well, place the contents of a package of fresh chloride of lime in the bottom of a pail. Add water slowly stirring to make a smooth paste. Add water to fill the pail. Let this stand an hour or so, then pour off the clear, or slightly cloudy liquid into the well. This should be allowed to stand over night.

**EXAMINE WATER**  
If the well is a sandpoint, it is advisable to pour a few gallons of water into the well following the chlorine solution. The next day, the well should be pumped until no taste or odor of chlorine remains. A sample of water should be taken for bacteriological examination to local public health authority.

In most cases the flood will not have affected septic tanks and they may be used as soon as flood waters have left the surface of the ground.

All water standing in flooded basements should be disinfected. This may be done quite easily by mixing one pound of fresh chloride of lime with a little water in a pail, then filling the pail, and sloshing this widely and well all over the basement.

Since the water has left the basement immediate steps should be taken to remove all dirt and filth which may contain rough scrubbing. Open the windows to encourage drying, and disinfect with the chlorine solution again.

**NHA SMALL HOUSE DESIGNS**—Planned for the growing family, this 1 1/2-story house offers all the convenience of a bungalow on the first floor and provides for two additional bedrooms and a storage room upstairs when required. This is an important feature when initial cost must be held as low as possible. The architect, Henry Fless, of Toronto, has combined utility and pleasing design to give the house a distinctive front entrance. The three high windows provide natural light for the vestibule and landing of the stairway to the second floor.

The kitchen at the front of the house is convenient to the dining area as well as the delivery and front entrances. The downstairs bedroom contains three closets and a large linen closet is located in the bathroom.

The total floor area of the house is 1,343 square feet while the cubic measurement is 21,200 cubic feet. The exterior dimensions are 31 feet by 27 feet, six inches. Working drawings of the house, known as Design 316, may be obtained from Central Mortgage and Housing Corporation at minimum cost.

tightly. Do not disturb them unless your refitting of the leg joints pulls the pegs away from the blocks. In that case, it is necessary to remove the blocks, scrape off the old glue and reposition them so that they fit snugly, partly against the legs and partly against the bottom of the chair.

Sometimes these blocks are glued in place and sometimes they are attached with wood screws in well built furniture.

In summing up, we want to remind you that both plastic wood and wood putty do not take readily to staining. It is very difficult to get them to match the surrounding wood, by the application of a regular stain. If you use plastic wood try to get the kind that is already colored to match mahogany, walnut, oak or whatever wood you are attempting to match. If you use wood putty, follow the manufacturer's directions for changing its color. Some recommend color pigment of the type used by artists. But which ever method you use, try it out first on an inconspicuous part of the chair to determine whether the result is satisfactory. Matching the color is, of course, not important if the repaired part cannot be seen when the chair is right side up.

Supposing there happens to be a few old stumps on your lawn. They can easily be removed. A strong solution of salt-peter will do away with the object. Just bore a series of holes in the top and sides of the stump and fill them with the solution. The wood will soon rot and break up.

For maximum rigidity always apply fir plywood sub-flooring or roof sheathing with the face grain of the panel perpendicular to rafters or joists.

## Sanitary Inspector Commences Duties

James Shannon of Streathman, B.C., a former teacher, was appointed as sanitary inspector in training to the health unit, and commenced his duties on May 3. It was announced at the quarterly meeting of the South Okanagan Health Unit meeting in Kelowna last week.

He will be working closely on alternate months with F. Alcock, sanitarian in Kelowna, and F. Hartigan, Penticton sanitarian.

If joists are green, to avoid nail show through with resilient flooring, compensate for shrinkage of the joists by setting nails in the fir plywood sub-flooring.

## Building Queries

Question — My 16-year-old son has been bothering me to buy him a jigsaw. I'm not much of a handyman myself, and do not have any power tools. But I have heard that some of them are dangerous. What is your opinion?

Answer — Of all the power tools, a jig-saw is one of the safest. Many teenage boys use them. Of course, if a boy or anyone, deliberately sticks his finger into the blade he will suffer a cut finger. But a jig-saw blade goes up and down and therefore does not pull the stock into it as some other types of saws do. In fact, there are many thousands of jigsaws now being operated daily in grammar and high school woodworking classes. Follow the manufacturer's instructions about the grounding of the machine, the covering of the motor belt and so on, and your boy should be able to operate the machine safely.

## JAYCEES HAVE PROBLEMS TOO

Eric Larsen, president, and W. A. Gilmour, of the Penticton Junior Chamber of Commerce, appeared before City Council last week to state the position of the young businessmen's group in respect to their clean-up campaign.

Mr. Gilmour said the organization is "very concerned" over the remarks made by members of council at the previous meeting. He said that the actual gathering up of the rubbish "is not our job, our job is to provide the needed publicity." He mentioned the house that had been painted through the volunteer efforts of the Jaycees and other work that had been carried out.

Mayor Oscar Matson said that the matter had come up after he had had to leave the meeting, to attend a gathering in Nelson. Alderman F. C. Christian explained that, as now established, the cleanup "would be virtually by City of Penticton."

Mr. Gilmour said that the organization is doing all it can do, and is not prepared to carry out much of the actual work. He also mentioned other projects of civic benefit and betterment performed by the J.C.'s, including publicity for the blood-donor drive; and a number of others.

Alderman H. W. Geddes said that at first they had been under the impression that all that was required was the use of a city truck and its driver; but that they had learned later that two men for loading were seemingly needed too.

"I think the Jaycees are actually being taken advantage of," remarked Alderman J. G. Harris, citing the fact that trucks often are expected to pick up large amounts of couch grass and other items of like nature which are strictly the responsibility of the householder. He said the cleanup is not designed nor is it fair that it should be used for such items, these being an individual responsibility.

It was agreed to continue on the present basis for this year, and to study the question more closely before plans are made for 1955.

Unemployment insurance benefit payments at \$7,603,667 in October, 1953, were one-third more than in the previous October.

## Experimental Station Reports For Months Of March And April

GENERAL — T. H. Anstey

The spring has been somewhat slow, with Wenatchee Moorpark apricots in full bloom 7 to 10 days later than the 16-year average of April 18. Frosts of 4 to 10 degrees during the last week of April have caused damage to apricot, peach and cherry, the extent of which has not yet been assessed.

Lack of moisture made it necessary to start irrigations on April 26. Icing conditions that night caused some breakage damage in young orchards. Pastures are starting to grow slowly, but no seeding has yet been done.

DAIRY CATTLE —

J. E. Millmore

The cost of milk production was lower in 1953 than in 1952, although still \$0.75 above the five-year average of \$1.75 per hundred pounds of milk. Costs of feed production per cow include the economic necessity of milking cows of high dairy merit. The six most productive cows in the Summerland herd averaged over 10,000 pounds of milk in lactations completed in 1953, while the six least productive cows, not including first class heifers, averaged just over 6,000 pounds of milk. The difference in value of production at an arbitrary figure of \$4 per hundred pounds equals \$166.33. The cost of feed was higher by \$4.36 per cow for the high producers at the \$166.33 of extra yield pays the total cost of feed for the more productive cows. Another way of expressing it is to say that the high producing cows were more profitable than the low producers, even if we assume that the low yielders had been fed with absolutely free feed. While the figures represent only one lactation for the respective cows, substantially the same story applies to the previous records of these cows. Other costs such as barn room, veterinary services and medications, breeding, grooming, etc., are almost the same for each cow.

LONG STACK SILAGE

Removal from the stack or trench is one of the less pleasant tasks of handling long silage. If it is frequently done by cutting a bent with a hay knife or axe. However, at least one dairy farmer in the North Okanagan has successfully self-fed the first portion of a stack of long, alfalfa-brass silage to his dairy herd. As long as the cows have a horizontal surface on which they can eat downwards it seems to work very well. The cows apparently cannot eat from the exposed vertical face that remains after the stack has been cut down with a knife. Some observation with regard to the width of the horizontal surface indicates that if it is too wide, cattle climb up on top and stand sideways to the stack. If not so wide, but still too wide, cattle stand with their front feet up on the exposed surface. A width of two feet is suggested for the exposed horizontal surface.

Some advantages of self-feeding long silage are:

1. A considerable saving of labor in removing silage.
2. Less cutting required, as only one shallow cut is needed to start each width.
3. Waste is reduced to a minimum.
4. Manure is not needed, whereas chopped silage would require a manure.

Silage did not freeze appreciably in stacks under winter conditions experienced last year.

EDRAGE PLANTS —

J. E. Millmore

The plant introduction nursery is a useful method for studying the relative adaptability of new species and varieties to the particular area in question. Observations are made on the yield of each introduction, and resistance to disease, cold winters and competition from weeds. If an introduction shows sufficient promise, it is included in variety trial to determine whether or not it has a place in this territory.

Since the establishment of the present nursery, losses from winter injury have not occurred. Early observations this year indicate that the stand of Empire variety of refore may have been partially killed. It is of particular interest that the S-143 variety of orchard grass does not show any winter injury. Reports from Salmon Arm indicate that there has been no injury to this variety of orchard grass in that area.

MOTHER PEACH ORCHARD —

A. J. Mann and F. W. L. Keane

The peach budwood orchard which was set out in April, 1954, on the Station contains the following trees: 22 Elberta, 16 Gold on Jubilee, 40 Red Haven, 48 Solo, 20 Spotlight, 57 Vallant, 31 Verette and 32 Veteran. The number of trees of each variety was determined by the probable extent of nursery demand, and also by the necessity of planting the varieties in solid rows to minimize the risk of error when budwood is being cut. This orchard is, in addition, a similar cherry budwood orchard which was established two years ago. All trees will be carefully checked for trueness to variety, and for freedom from virus by the pathologists before budwood is released.

SHRIVELLING OF PRUNES —

D. V. Fisher

Shrivelling of prunes prior to harvest in the 1953, 1951 and

30 to 60 percent fruit.

WATER INSOLUBLE SOLIDS —

A. W. Moyle

Preliminary work on a method for the determination of water insoluble solids in fruit pie fillings has been completed. This method will serve as an aid in ascertaining fruit content of the fillings. Since most products of this type contain various starches, as thickening agents, a method of solubilization and extraction of this starch is necessary. Hydrolysis with dilute hydrochloric acid was employed to simplify and speed filtration.

RAPID EXTRACTION

METHOD — A. W. Moyle

A rapid sugar extraction method developed primarily for the use on jams has been modified and applied to the analysis of candied fruits, fresh frozen strawberries and stone fruits. Total and invert sugars as determined by this method is in close agreement with the official A.O.A.C. method.

This method has the important advantage of requiring much less time and fewer manipulations than the A.O.A.C. procedure. A complete analysis for total and invert sugar may be made in 50 minutes by this rapid method as compared to 2½ hours by the official method.

TOMATO VARIETY TRIAL —

L. C. Denby

Statistical analysis of the tomato yield trials conducted in 1953 has revealed a number of points of interest. Of the 35 varieties grown, the best for total harvestable yield was Valnorth, a variety developed for fresh market. Morse's Special No. 498, a popular variety in the Okanagan, ranked first for early yield; 20 other varieties, of which 9 were hybrids, were not different from the best for both early and total harvestable yields. A wide range between replicates of the same variety is thought to have been caused by the interaction of poor weather and soil differences.

## Test it your way!

### TEST IT FOR LOOKS

If you like sleek styling, you'll like Plymouth. It's lower than most cars in its field... over 3" longer than ever before. Inside, its two-tone fabrics and fine appointments rival those of expensive cars.

### TEST ITS BIG-CAR RIDE

Self-adjusting Oriflow shock absorbers and big, tapered-leaf springs help deliver a truly balanced ride. Try a Plymouth over the bumpiest road you know.

### TEST ITS COMFORT AND VISIBILITY

Relax on Plymouth's soft, wide seats. They are chair-high so you enjoy better down-front visibility through the big, one-piece curved windshield. And see how much extra headroom and legroom there is.

### TEST ITS "GO" AND HANDLING EASE

Pick a really steep hill to check Plymouth's lively, high-compression engine and reserve power. Then see how you can park with one hand with reliable Full-Time Power Steering, available at moderate extra cost.

### TEST ITS SAFETY FEATURES

Try the electric windshield wipers that never stall or slow down. Ask about such added safety features as Safety-Rim wheels that hold tires securely in case of a blowout. These items are of special interest during May, which is Safety Month.

### TEST IT FOR EXTRA VALUE

In Plymouth you get many quality "extras" ... things like the oil-bath air cleaner and Oilite fuel filter. Ask about them. You'll see why "it's PLYMOUTH for VALUE."

Learn why the beautiful

**PLYMOUTH**

is Canada's BIG-VALUE buy!

A Plymouth is waiting for you! Come in and road-test it soon.

Manufactured in Canada by Chrysler Corporation of Canada, Limited

## Canada's Finest Quality House Paint

# NO SECOND COAT NEEDED WITH SOLO-COAT WHITE

### PLUS THESE EXTRA ADVANTAGES

1. TREATED WITH SPECIAL TONER—SOLO-COAT White is toned to give a warm radiance, mellow reflection and depth.
2. ALKYD FORTIFIED—SOLO-COAT White contains Alkyd Resin, the ingredient that gives outstanding wear-and-water resistance, easier brushing.
3. LONGER LIFE—SOLO-COAT White gives extraordinary durability. Yes, one coat of SOLO-COAT White is the equal of other prescribed exterior painting methods that call for 1 coat of undercoat and one or more coats of the finish.
4. SELF-CLEANSING—SOLO-COAT White actually welcomes dirty weather, because each rain fall leaves it cleaner and fresher looking.

### 2 COAT PAINTING WITH 1 BRUSH STROKE

This new super quality house paint easily and completely covers most old painted surfaces in ONE COAT instead of the conventional two. That's because SOLO-COAT WHITE has double hiding pigment—the second coat is actually "built-in" to SOLO-COAT'S One Coat benefit.

## TEACHERS ATTEND DINNER MEETING ABOARD SICAMOUS

L. B. Boggs, Penticton's Good Citizen for 1953, was  
guest of honor at a well-attended dinner meeting of the  
Southern Okanagan Teachers' Association, held aboard  
SS Sicamous last week.

Following a program conducted by Miss Grace  
D'Aoust and George Gay, the president, Miss Margaret  
McAstocker introduced a guest speaker, "to those who  
have not already met him" since he is so well-known  
among the teaching profession.

In his short address, Mr. Boggs  
remarked upon the fullness and  
happiness of his days of retire-  
ment and reminisced of his ear-  
lier days in the city. He added  
that he was grateful for the op-  
portunity of meeting those new  
to the staff as he was still very  
much interested in education.  
"There is more recognition today  
of the work being done by teach-  
ers and," he said, "it is impos-  
sible to overestimate the impor-  
tance of the child's early years."

### EXTENDS THANKS

Another guest, Miss Duile  
Brown, of Montreal, was presen-  
ted with a colored photograph of  
the Okanagan from the SOTA.  
In thanking the group, she told  
them she would never forget her  
wonderful year in Penticton.

Miss Vera Coss, the secretary,  
in reading the minutes, brought  
to the group's attention that  
their contributions to the retired  
teachers' housing fund were to  
be made by individuals, not by

the group as a whole.

The assistance of the SOTA  
had been offered to the local  
board for the forthcoming Trus-  
tees' Convention which is being  
held in the city in the fall.

Mrs. Juan Puddy, in her sum-  
mary of the activities of the pub-  
lic relations committee, reported  
a most successful year. She com-  
mented upon two new develop-  
ments: that a representative of  
the teachers' group be at all  
board meetings to further under-  
standing and cooperation be-  
tween the two groups and that  
a booklet prepared by the pri-  
mary teachers for parents of be-  
ginning pupils be distributed.

Frank Laird, Supt. of Edu-  
cation, and Fred Shirley, as  
convention delegates, gave  
full and comprehensive re-  
ports of the annual general  
meeting held in Vancouver  
at Easter. Many features and  
details of this were discus-  
sed. Many recommendations  
made by the Okanagan  
teachers were accepted and  
submitted to the department  
of education. Another honor  
to the valley was the election  
of Miss Hilda Cryderman, of  
Vernon, as president of BC  
TF.

A new slate of officers was  
brought in by the nominating  
committee, consisting of Mrs. L.  
McDonald, W. Boyd, and F. Shir-  
ley. P. C. Grant was elected  
president of the group for the  
forthcoming year, with D. Mac-  
Donald as vice-president, Miss  
Agnes Hill, secretary and Miss  
Margaret Pallot as treasurer.

Various committee members  
were also elected to carry on the  
work of the group in various  
fields.  
On the curriculum committee  
were Miss S. Tapley and Miss  
E. A. Thomas; K. Campbell and  
Mrs. E. Joslin were elected to  
serve on the credit union com-  
mittee with G. Clarke, K. Mac-  
Kenzie and D. Tully. On the  
education finance committee  
were Miss P. Gwyer and H. D.  
Pritchard; Miss B. Baxter and  
Miss A. McEachern were nomi-  
nated to the social committee.  
The public relations committee  
are Miss N. Cambray, Mrs. H.  
Jordan, Miss C. Mulhearn, G.  
Dow, W. Nelson, Miss J. Norris  
and W. Nutt. While A. Critter-  
don, Miss G. d'Aoust, S. Gal-  
braith, W. Marshall and A. Ship-  
ton were elected to the salary  
committee.

The naming of a delegate to  
the workshop at Qualicum was  
left to the executive.

Special features of the work-  
shop this August will be inter-  
sive study of teacher training  
problems, ethics, public relations  
and academic standards.

## KEREMEOS

KEREMEOS — Miss Barbara  
Bullock-Webster of Victoria spent  
a day here recently renewing  
acquaintances of many years  
ago. Among those she visited  
were Mrs. D. J. Innis, Mr. and  
Mrs. Tweddle and Mrs. de B.  
Green of Horn Lake and mem-  
bers of her family.

Mrs. C. Lawlor is a patient in  
Penticton Hospital.

Mrs. A. W. Hettrick recently  
returned from Penticton Hos-  
pital, where she was a patient for  
some days.

Mrs. F. C. McCague and Mrs.  
J. H. East attended the annual  
Divisional meeting of Guilders  
and members of the Local Asso-  
ciation to Girl Guides and Brown-  
ies held at the Youth Centre in  
Summerland on Saturday after-  
noon.

A meeting called by the Ladies'  
Auxiliary to Branch 192, Cana-  
dian Legion here recently  
to discuss with representa-  
tives of various local organi-  
zations the Welfare Services of  
Civil Defence was well attend-  
ed and the action of the auxiliary  
in undertaking this important  
city work was enthusiastically  
endorsed by those present.  
The volunteers were generous in  
offering to convene and act on  
committees of the various  
branches of the welfare division.  
Initial plans to be finalized im-  
mediately were made for assist-  
ance should a flood occur.

At the monthly meeting of the  
KeremEOS Adult Players group  
held recently, this in at-  
tendance received reports of the  
production on April 30, of Noel  
Coward's "Hay Fever" and it was  
unanimously decided to continue  
with weekly meetings of the  
group for the purpose of study  
and the reading of plays with a  
view to producing a three-act  
play in the autumn.

Some 127 of every 100,000 Cana-  
dians enter mental institutions  
each year.

## YOU CAN DEPEND ON

The Largest Oil Company Owned by Canadians

# "12 YEARS OF GROWER USE PROVE" Fermate

## OUTSTANDING FOR SCAB CONTROL

"FERMATE" is outstanding also  
because it controls more  
diseases than any other fruit  
fungicide. Powerful against  
disease, "FERMATE" is  
mild on foliage, and does  
not cause costly chemical  
russetting that reduces  
grade and quality. This  
"powerful yet mild action"  
produces higher yields of  
clean, firm apples—with  
fruit colour that makes  
number one grade.

<b>MANZATE</b>	Controls 5 Major Tomato Diseases and gives exceptional protection on those crops—potatoes, carrots, onions, celery, grapes and peaches.
<b>PARZATE</b> fungicide	Powerful Yet Safe: PARZATE protects a wide variety of plants against fungous diseases—and won't burn or harm young foliage.
<b>ZERLATE</b> fungicide	For Vegetables and Fruit: ZERLATE effectively controls fungous diseases on vegetables—and on apples, peaches and pears as well. ZERLATE is equally mild on foliage.

**DUPONT SPREADER-STICKER**  
Increases Effectiveness of Spray Mixtures  
Sprays containing Spreader-Sticker often adhere  
more evenly and stay on foliage longer.

## KELOWNA WINS TOP AWARDS IN OKANAGAN DRAMA FESTIVAL

There were six entries in the south Okanagan zone drama festival held at Kelowna on Friday and Saturday evenings, May 14 and 15, when Kelowna Little Theatre won four awards and an honorable mention for their play, "Goodbye to the Clown," by Ernest Kliney, directed by Gwyneth Harvey.

First trophy was for "Best Play" to quote the adjudicator, Mrs. Audrey Johnson, Victoria. "The best play taken as a whole, and in the extent that the author's idea had been achieved, as well as for imagination, teamwork, and co-ordination in playing."

"Best actress," went to Barbara Hayman, a little girl of nine years who gave an entirely delightful performance; "Best Actor," Harry Cox, the clown, supporting male actor, Roy Lobb as Uncle George; and honorable mention to Una Hughes as the mother.

There were those who thought that while Barbara Hayman undoubtedly played well the part of the little girl, Peggy, and with charm, that a child performer in what is usually considered an adult festival might have been given a special award rather than that of "best actress." Best actress infers potentialities of which a child would be incapable, and response to the child is entirely different and more sympathetic than to an adult. This might be a point for consideration for those organizing festivals.

Entry of Princeton Drama Club, Arise and Shine, a play by Elda Cadogan, a Canadian, directed by W. R. K. Sample, won first for the "Best Director" award.

Second criticism of the adjudicator came when Lois Mullin, as Hepzibah a lead, was awarded the trophy for top "supporting part". This Mrs. Johnson said was because Miss Mullin was such a good actress, with which the audience generally agreed.

Penticton Players' Club presented Balcony Scene, by Donald Elser, directed by Rose K. Owen. The play, itself, was an unhappy choice, everyone seemed to agree, and as the adjudicator said, "The calibre of the play did not give the cast a chance, with the whole thing being in a monotone." She ended her criticism of the play saying, "I defy anyone to do anything with it." She felt that the lead, Ian Parmlinter, played with considerable sincerity and gave a "good try".

Summerland Players' Club entered "Dark Lady of the Sonnets" by George Bernard Shaw, directed by Beatrice Macleod and Jean Towgood, and won an honorable mention to Sylvia Perry for her interpretation of the Dark Lady, and were congratulated on a really difficult piece by Mrs. Johnson, as well as being told that the costumes were excellent.

Naramata Players in an act of Lady Precious Stream by S. I. Hsueh, director, Gottfried Morche, were told that they, also, gave a good try for the style of play, and that Kitty Wilson as the Lady Precious Stream was pleasing and charming; the reader, Valentine Morche, of clear voice, the property man, Ernst Grossman, a good actor trying to do a good job; and the husband, Perry Darling, possessing vitality in his acting, and good.

Among the critics in the audience were those who contended that this play was not festival material, as it required a type of acting in a different convention than that of other plays.

It would seem that there should be a longer look taken at festivals of this sort by those who sponsor them and that certain things — mainly the plays to be used — should be given some thought by organizing groups.

Grand Forks Singers and Players gave the play "From Five to Five Thirty", a good comedy by Philip Johnson, who has produced other plays of excellent calibre, but were not a competing group. The act was directed by W. V. Zoellner, and had two rating honorable mention in the performance of Mrs. P. De Wilde and Mrs. H. Lawrence. The latter was told that she might well become an excellent comedy actress and the former, that she played with sensitivity and had good vocal levels.

Other honorable mention went to Bill Kelly, Princeton, Kitty Wilson and Perry Darling, Naramata.

H. S. Hurn, director Community Drama, Victoria, and general organizer, was present Saturday evening.

#### KEEP CAMPSITES CLEAN

The South Okanagan health unit working with the Forestry department is anxious to have campsites kept clean, and this can only be done with the co-operation of those using the camps.

Members of the health board have been asked to keep an eye on camping places in their individual areas, and the forestry department is planning to have garbage collected regularly. It is thought that everyone should take a pride in these places which have been set aside for their use as well as that of tourists and try to help in maintaining their orderliness.

If all the Federal government's civilian employees — 329,565, as of August, 1953 — were gathered in one city it would rank as the fourth city in Canada. Add their dependents and you'd have Canada's No. 1 centre, population-wise.

## Drama Festival Here June 11-12

Stage is set for the second annual B.C. Drama Festival to be held at the Penticton High School Auditorium, June 11 and 12. Three performances will be given, a matinee Friday afternoon and evening shows Friday and Saturday nights.

In addition there will be a drama workshop Saturday morning, being conducted by Sidney Risk, of Vancouver.

Representing their respective zones will be players from Prince George, Burnaby, Yellow Point, Nelson, Kelowna, Prince Rupert and Fort St. John. The Fort St. John group will present a play written in their community.

Coming here as adjudicator is Miss Betty Mitchell, of Calgary, noted director of a famous Alberta group called Workshop 47.

While the festival is actually co-sponsored by Department of Community Drama, Victoria and B.C. Drama Ass., a local citizens' committee has been formed to handle the actual mechanics

of making the festival a success.

Headed by J. Y. Halcrow, as chairman, the committee consists of Mrs. F. O. Bowsfield, secretary, W. Heberton, treasurer, Alderman H. G. Garrioch, publicity, Mrs. Hugh Cleland and Mrs. G. J. Rowland, in charge of properties, Miss Ruth Adams, hospitality, Mrs. G. E. Cameron, billfolding, Geof Allington, stage manager, Mrs. Maurice Joslin, representing Penticton Players' Club, Maurice Joslin, lighting, Lacey Fisher, drama zone liaison officer and Edgar Dewdney, representing the Board of Trade.
